2 In March 1945, the D.C. Mysore brought to the notice of Govt. certain mischievous activities of Mr. H.M. Channabasappa, Periyapatna Tk., in hampering the work of acquisition of food grains from the ryots etc by Government, etc., and proposed to take action detaining him under Rule 26 (1) (b) of the Defence of India Rules. The D.C. was informed on 24.4.45 that the material placed before Govt was not sufficient to justify the person being kept under detention, and further that in such cases action should be taken under Restriction & Detention Act and not under the Defence of India Rules. The DC. was asked to send a "clear and self-contained report" in case he proposed to take action against the individual.

3. The Dy. Comr has now sent a full report regarding the activities of the person and in his opinion there is sufficient justification to detain him for at least 3 months under Secn 2(1)(b) of the Restriction & Detention A(

4. The history of the doings of this individual given in the Dy. Comr's letter indicate that Mr H.M. Channabasappa wields a considerable amount of influence in the locality, which he is abusing by misleading the people by holding out false hopes, poses to be the Spokesman of the people and makes false complaints on their people, induces the people not to part with grain that is due to be surrendered by them under the Harvest acquisition Order, and "takes every opportunity to bring Govt into contempt." He is stated to be "running a sort of parallel Govt. agitating the people not to approach the local authorities but to go to him with their complaints

He is also reported to be "interfering in Smuggling cases also and abetting these offences."

5. In spite of his nefarious activities of such a serious nature & his being a perpetual ~~nuisance~~ nuisance to the local officers, the Dy. Comr. feels helpless in taking action to prosecute the individual in a Court of Law under the ordinary provisions, "as independant witnesses will not come forward to depose against Mr Channabasappa in a Court of Law." So the Dy. Comr. proposes to take action under the emergency provisions. He wants, however, instructions whether he may take action —

[Incidentally, it may be pointed out that the D.C. is still referring to the Restriction & Detention (Emergency) Act, 1944, even though this has been since replaced by a regular Act (X of 1945) which came into effect from 3.4.45].

Chief Sec 1/12/45

The present report of the Deputy Comr Mysore has reference to the letter of Govt, dated 2nd April 1945.

The several incidents to which the Dy Comr refers, took place some months ago. He feels doubtful of getting any independent evidence re. this persons unwholesome activities in case he has to be proceeded against in a Court of Law. Channabasappa is said to be seriously interfering with the proper & smooth working of the Harvest Order & the Food Acquisition scheme in the talukes of Hunsur,

Periyapatna & Krishnarajanagar. Strictly speaking, it should be possible, in that case, to proceed agt him successfully under the penal provisions of the "Harvest Order" which has been promulgated under the D.O.I. Rules. There would be nothing inappropriate in taking action under the D.O.I., because though hostilities have ceased, the food situation is causing grave anxiety. The Dy Com^r feels, however, that it may be difficult to prosecute the man successfully in a Court of Law.

It is seen from the Dy Com^r's report that the party makes reckless & irresponsible allegations against local officers, which, in almost every case, is found after enquiry, to be false and baseless. The Dep^y Com^r feels that the work of administering these talukas has become difficult, due to the constant interference & mischievous tactics of Channabasappa.

As regards the proposal to pass an order of detention agt him under the Restriction & Detention Act (X of 1945), this does not appear to be acceptable, as it is not considered expedient to take action in any case in future under this Act, the repeal of which is only a question of time.

In the concluding portion of his report, the Dy Com^r states that if for any reason it is considered inadvisable to proceed agt Channabasappa

C.M.H. Ranajodha Singh, Esq., B.A.,
Deputy Commissioner, Mysore District,

V. Vedavyasacharya, Esq., B.A.,
Chief Secretary to the Government of Mysore,
BANGALORE.

Sir,

With reference to your Confidential D.O. letter No. 3475-C.B. 1644-45 dated 2nd April 1945 calling for a self contained clear report, if action is proposed to be taken against Mr. H.M. Channabasappa, Member of District Board, Mysore District and the Legislative Council, for his subversive and mischievous activities and active interference in the acquisition of food grains in the Taluks of Periyapatna and Hunsur, I have the honour to state as follows:-

Mr. Channabasappa was once an employee in the Agricultural Department, but, he subsequently resigned it and joined the Congress. He stood on the Congress ticket for the Legislative Council and was elected. He carries on an anti-Government propaganda; and takes every opportunity to bring it into contempt. Until he became the Congress leader of the place, Periyapatna was a quiet, loyal and peaceful Taluk. Mr. Channabasappa, being one of the few educated men of the Taluk, easily plays on the minds of the unsophesticated ryots and exhorts them to discredit Government officers by means, fair or foul, with the object of gaining ground and carrying on his nefarious activities, often for his personal aggrandisement. Further, he is a smuggler of 'Food Grains' across the border; and

and a 'Black-mailer'. He has for the purpose a gang of miscreants, who do not hesitate to carry out his behests and share in the profits.

The following facts will reveal, that his main object is to condemn the Policy of Government and to inflame the minds of people against the local Government officers.

The period of elections to the Legislative Council coincided with the promulgation of the Harvest Order of 1944. He took this opportunity for canvassing more votes, and with this object commenced condemning the 'Harvest Order' and held out a hope to the people that he would get the order modified so as to suit the convenience of the growers and land-owners, if only they voted for him and secured his election to the Legislative Council

On 21st January 1945, Mr. Channabasappa addressed the ryots near the Travellers' Bungalow at Periyapatna, where they had assembled for the Taluk Conference and exhorted them to thresh the paddy and ragi and remove the corn to their homes disregarding the orders to obtain permits therefor. The petitions of Mr. Liyakath Ali, Vice-President of Periyapatna Municipal Council and of Mr. Mariappa of Periyapatna (Flags A & B) and the reports of Patel Sannappa and Patel Kalegowda and some of the Shanbhogues bear out this incident clearly. The report of the Amildar, No. 24/44 dated 25th January 1945, and the reports of the Inspector on Food Control Duty dated 13th January 1945 and 21st January 1945 (Flags C, D & E) further substantiate it.

.. On 17th January 1945, Mr. Channabasappa delivered a speech before the people assembled in the Taluk Office compound, Hunsur, stating that no permit was necessary for the removal of the grain to their houses and characterised the new Harvest Order as a "Shanbhogue's Scheme", based on unreliable figures, which has caused unnecessary and great hardship to the ryots. The

The reports of the Amildar, Hunsur Taluk, dated 26th January 1945 and of the Sub Division Officer, Mysore, dated 27th January 1945 (Flags ೨ & ೮) amply testify this.

Mr. Channabasappa gave an article under the Caption "ಪಿಠಂಯಂ ಕುಟ್ಟಿಕಾಕ ಕಾಲ್ಟಾಕಿ ನಳ್ಳಿಸ್ತಾವ್ನ್ ಕಂಗ್ರಕಂ ಪೆಚ್ಚೆಕಿ ಚೆಲ್ಲಿ" in the Tainadu of 5th March 1945, wherein he vehemently attacked the procedure followed by the Amildar for the acquisition of food grains in the Taluk. A thorough enquiry was made by the Sub Division Officer and he has reported (Vide his report No. R6-130/44 dated the 17th March 1945) (Flag H) that the statements made by Mr. Channabasappa were absolutely false, that the surplus of food grains had been assessed on the best information available and that only in two or three cases, the demand had been over-assessed; but were subsequently revised after correct information was furnished. The intention of Mr. Channabasappa in publishing this article was to bring the local Officers to contempt, deprecate the 'Harvest Order' and to induce the ryots not to deliver the surplus grains to Government. The reports of the Shanbhogues of Kithur, Koppa, Harnahalli, Hunasekoppal, Kudakeri, Kandagala and Hunsavadi firkas and the report of the District Superintendent of Police, dated 20th March 1945 - (Flags ೯) are in support of this. This mischievous propaganda started by him, as is explained infra, had the desired effect of seriously coming in the way of acquisition.

Mr. Channabasappa is reported to be interfering in smuggling cases also and abetting these offences. He wrote a letter to the Deputy Commissioner on 16th March 1945 stating that one Hutchegowda of Doddakamaravalli was transporting 4 pallas of Bengal gram from Ayathanahalli to his village and that the special Revenue Inspector and the Police Officers had foisted a false case of transport of gram outside the State. Again on the same day, he sent a Telegram to the Deputy Commissioner, that the movement of Bengal gram had been restricted. According to the report of the Amildar, Periyapatna Taluk, the allegations

15

allegations proved to be false, but were calculated to serve as a defence in the smuggling case.

The Special Sheristedar, Periyapatna Taluk, has enclosed a copy of the petition drafted by Mr. H.M. Channabasappa for Javanappa, a village postman of Bettadapura. (Flag J) The petition is nothing but a defiance of the Amildar's assessment of surplus of food grains due to Government from him. It is reported that Mr. Channabasappa is inducing the ryots to present petitions to the Amildar in the form in which he has drafted one for Javanappa not to deliver Ragi or Paddy to Government Depots.

The reports of the Amildar dated 7th May 1945 and 20th May 1945, of the Special Sheristedar dated 7th May 1945, and of the Special Revenue Inspector dated 7th May 1945 (Flags K, L, M & N) indicate that Mr. Channabasappa is instrumental for the fall of acquisition of food grains in the Taluk. The report of the Revenue Inspector, Kasaba Hobli, dated 1st May 1945 (Flag O) shows that collection of Land Revenue is also retarded on account of his interference. This will surely have a deleterious effect on the current acquisition of food grains for 1945-46 also.

On 23rd May 1945, Mr. Kari Gowda, son of Honne Gowda of Kavalanahalli, Periyapatna Taluk, sent a Telegram to Government as follows:

> " Local Officers high handed action, broke open lock - seize paddy unconstitutionally - no maintenance - pray enquiry."

The records of enquiry on this Telegram disclose that Mr. Karigowda had to surrender 6 pallas and 20 seers of Ragi and 7 pallas and 25 seers of Paddy to Government; but against this assessment, he delivered only 4 pallas of Ragi to Government. As he failed to surrender paddy, the Special Revenue Inspector searched the house of Mr. Karigowda on 20th May 1945 and seized 3 pallas and 45 seers of paddy. Mr. Karigowda has given a statement on 14th July 1945, before the Amildar, Periyapatna Taluk, that when he went to Periyapatna to see the Amildar and get the paddy

paddy released, Mr. Channabasappa accidentally met him and drafted a Telegram for him, but as he was not a literate, he did not know what had been written therein. (Flag P) He has further stated that the allegation made in the Telegram about the breaking open of the lock was not true. Thus it is clear that Mr. Channabasappa is always on the look out for an opportunity to find fault with local Officers and make false allegations against them and bring down their prestige in the eye of the people and obstruct them in the lawful discharge of their duties.

On 14th April 1945, Mr. Channabasappa wrote a letter to me complaining that Javare Gowda, Contractor of a well at Gangadharahosahalli, Periyapatna Taluk, had not been paid a single pie, though the well had been excavated a year ago. The report of the Sub Division Officer, Mysore, dated 13th June 1945 (Flag Q) shows that the village itself came into existence about 2 years ago and the Contractor had already been paid Rs.153/- and that the allegation about the delay in the payment of the Bill was false.

On 19th May 1945, Mr. Channabasappa wrote to me alleging utter indifference on the part of local Officers in the execution of Well Works in the Taluk, and particularly the well of Naralapura. The Amildar and the Sub Division Officer have, upon enquiry, reported - Vide report of the Sub Division Officer dated 13th June 1945 - (Flag R) that the deepening of the well at Naralapura is progressing and that there is no danger either to the well or the neighbouring houses in the village and that similarly all the wells in the Taluk are in different stages of progress. The Sub Division Officer has reported that there is no indifference on the part of local Officers.

Mr. Channabasappa, in his letter to me dated 17th May 1945, alleged that the Tollgate staff at the Frontier toll gate of Anechowkur, Periyapatna Taluk, were demanding illegal gratification from cart-men who carry small quantities of bengalgram

Bengal gram (probably a mistake for horsegram) out of the Frontier, to feed their bullocks. The Sub Division Officer, Mysore, has himself examined the Tollgate staff, the Police staff and the parties connected with this allegation. The records of enquiry and his report dated 12th June 1945 are enclosed. Mr. Channabasappa made himself scarce at the time of enquiry, though he had been served with a notice to be present. Mr. Muddiana Sivalingappa of Ravandur cited by Mr. Channabasappa as being aggrieved in this connection, has, in his statement before the Sub Division Officer, said that no bribe was ever demanded from him by the tollgate staff, that the cart-men were being allowed to take 3 to 4 seers of horsegram out of the Frontier for the use of the bullocks and that no villager or merchant in the Taluk has complained to him about such harassment by the Tollgate staff. The Sub Division Officer has reported that the allegations are totally false and baseless. (Flag S).

On the complaint of Mrs. Green Price and other villagers of Periyapatna about the irregularities in the issue of Food Grains from the Government Depots in Periyapatna Taluk, the Assistant Director of Food Supplies (Police) Mr. V.V. Naik made confidential enquiries and sent a report to the Director of Food Supplies on 6th July 1945, copy of which is enclosed in the file (Flag T). ''In his report, he has incidentally pointed out that Mr. Channabasappa is the leader of the [illegible] Taluk and he is trying his best to bring the present Amildar (Mr. H.D. Krishnaiya) into disrepute and get him transferred from that place for the following reasons:

i) The grant of a loan from Government applied for by him was not recommended by the Amildar;

ii) His lands were brought to sale for recovery of Land Revenue arrears due from him; and

iii) Takarar Taktha cases were instituted against him for unauthorised cultivation of Government lands.

He has finally come to the conclusion that Mr. Channabasappa is taking every opportunity to see that the public send re-

repeated complaints against the local Officers at Periyapatna, that he is instigating the people to work against the Government Officers and is encouraging them to obstruct the Officers in their legitimate work - both regarding the procurement and even distribution of food grains and in other allied Revenue matters and that unless the mischievous propaganda is checkmated immediately, there is no safety for any of the Government Officers working in the Taluk.

In addition to the above, I have herein enclosed copies of my reports to the Director of Food Supplies and the Revenue Commissioner on the complaints of Mr. Channabasappa on the following points:

i) Report No. CS.9-581/44-45 dated 7th September 1945 to the Director of Food Supplies on the complaint of Mrs. Green Price under the instigation of Mr. Channabasappa, regarding the food situation in Periyapatna with a view to bring the local Officers into contempt. (Flag - U)

ii) Report No. CS.9-548/44 dated 7th September 1945 to the Director of Food Supplies, on the complaint of Mr. Channabasappa regarding the refusal of the Amildar to issue Kerosene to Thammegowda of Kandagal. (Flag - V)

iii) Report No. T.C.115/45 dated 7th September 1945 to the Revenue Commissioner on the allegations of Mr. Channabasappa against the Amildar, Periyapatna Taluk, in connection with the orders passed by the latter in regard to the unauthorised construction of a 'Uddi' in Basalapura village. (Flag - W)

iv) Report No. T.C.82/45 dated 7th September 1945 to the Revenue Commissioner on the allegations of corruption etc., against the Amildar of Hunsur Taluk and the Revenue Inspector of Bilikere Hobli by Mr. Channabasappa. (Flag - X)

In all these reports, I have made it abundantly clear that Mr. Channabasappa has all along been interfering with the administration of Hunsur and Periyapatna Taluks. His 'Modus Operandi' is to encourage people to give petitions to him and without caring to verify the facts, to send them to higher Officers making serious and reckless allegations about local Officers. It has become a sheer waste of time for me and the Sub Division Officer to enquire into these petitions which are again and again found to be false, mischievous and vindictive. Constant enquiry into these false allegations has an indirect effect of undermining the prestige of the local Officers and jeoparadising the administration.

During my tour in these Taluks, I am given to understand that Mr. Channabasappa is running a sort of parallel Government and instigating people not to approach the local authorities, but to come up with their complaints to him for redress. He has, in fact, become a veritable 'Pallegar' wielding influence over the local people who are innocent. If he is encouraged to continue in this ~~matter~~ manner, I am afraid, the administration in both these Taluks may end in confusion leading to unpleasant and undesirable consequences.

As independent witnesses will not come forward to depose against Mr. Channabasappa in the Court, it has not been possible to prosecute him in a Court of Law. The prosecution will have to rest only on the evidence of Government officials and if it fails, it will embolden the rest to defy and flout the orders of Government openly and will indirectly enhance his prestige as a "Martyr". The people must be made to feel that Mr. Channabasappa's word is not law and that he too is bound by Government orders and that he cannot victimise Government Officers to serve his own ends. In fine, it should be brought home to the people of the Taluk that Government can put down turbulent persons like Mr. Channabasappa and that Government orders should not be violated under any circumstance with impunity. If the nefarious activities of Mr. Channabasappa are not curbed in time, I have reason to believe that the ~~the~~ acquisition of food grains during the ensuing harvest in the two Taluks of Periyapatna and Hunsur will suffer considerably as in the previous year.

~~xx xxx xxxxxx xxxx xxxxxxxx xxx xxxxx xxxxxxx~~ His latest step has been to intimidate the District Superintendent of Police. I enclose herein a copy of the report of the District Superintendent of Police, Mysore, - Report No. C.C. 16/45-46 dated 15th November 1945 (Flag A) - where it is reported that he tried to threaten that officer but failed.

The recent interpellations given by him for the ensuing

ensuing Session of the Legislative Council go to show that he has already laid the foundations for his future agitation regarding the food grains procurement with a view to strengthen his position.

Last year, in spite of his interference, the acquisition of Ragi in Periyapatna Taluk was about 15,000 pallas which was considerably less than what was anticipated. This year, the position of Ragi is critical, for want of timely rains. I do not expect to acquire even 5,000 pallas, if his nefarious activities are not restricted immediately.

He has similarly been instigating the ryots of Hunsur Taluk also, not to deliver Ragi or paddy to Government, under the Harvest Order. (Vide report of the Amildar, Hunsur Taluk dated 26th January 1945, re. his speech in front of the Taluk Office, Hunsur). He has been working through Mr. Puttabasappa, his brother-in-law who owns two Mills in Krishnarajanagar to create trouble in that Taluk also, as is disclosed by the recent interpellations. Thus, three important Taluks - Periyapatna, Hunsur and Krishnarajanagar - which mainly contribute large quantities of paddy and Ragi are going to be affected by his mischievous and anti-Government activities. Particularly at this juncture, when distress conditions are prevailing almost all over the State and rainfall has not been adequate and timely, his nefarious activities in this respect will have dire consequences as the ryots will take advantage of his ill-advice. Timely action to prevent his mischievous propaganda is urgently called for.

In his letter No. Bl-C.985/45 dated 15th November 1945 to Secretary to Government, Development Department (Food Supplies) regarding the prospective food situation in the State, the Director of Food Supplies has pointed out that " it is necessary to deal effectively with anti-social elements in the population who create and foster unnecessary panic among the public and the press in times of difficulty like the present and that the

the District Magistrates should be given full discretion in dealing with such elements firmly in proper time to prevent them from increasing our difficulties."

Having regard to all these facts, it is absolutely necessary to detain him for a period of at least three months to put down his mischievous propaganda, under the "Restriction and Detention Act" and immediately on receipt of instructions, I will proceed to take steps against him so that his uncalled for interference in the acquisition of food grains during the ensuing harvest and in other local administrative matters may be eliminated. This will have a very good moral effect on the people of the three Taluks besides facilitating proper acquisition of food grains in the area.

As has already been explained, his 'Modus Operandi' is to make reckless and false allegations with impunity against local Officers and officials, often supported by petitions of alleged aggreived persons, contributed by his own machinations, so that enquiries may be started into their conduct. These petitions supported by his letters pour in continuously. He thus manages to keep himself outside the purview of legal proceedings, but succeeds in bringing down the prestige of Government and enhancing his own importance in the eye of the innocent public of the place. This has considerably weakened the administration of the Taluks of Hunsur and Periyapatna, where the people are led to believe that he is all powerful and the Amildars and the Police are afraid of him.

The activities of Mr. Channabasappa specified supra are prejudicial to Government ~~interests~~ interests the public safety and the maintenance of public order as contemplated in Section 2 of the Restriction and Detention (Emergency) Act XV of 1944, and in my opinion, Mr. Channabasappa is liable to be detained for a period of at least 3 months under Section 2(1)(b) of the said Act with a view to prevent him from acting in the manner referred to above. Under Government Notification No.

This has been superseded by a regular Act — XC of 1945 (in April 46) GOI

No. P.7228/Pol.171-43-2 dated the 27th May 1944, the District Magistrates have been empowered to exercise the powers under Section 2 and 3 of the said Act.

If, for any reason, it is held not advisable to take action against him for his previous misdemeanour, I may be permitted, as was decided at the Meeting of Deputy Commissioners at the 'Lake View', Mysore, on 17th October 1945, and reiterated in Chief Secretary's letter No. P.3712-20 dated 22nd November 1945, to take action against him, if he were to attempt to repeat the same tactics which may aggravate the situation hereafter. He is a member of the Legislative Council and is taking full advantage of his position in perpetrating the prejudicial acts narrated above. I think his position as a Member of the Legislative Council will in no way exonerate him from committing these evil deeds contemplated to bring the Government into contempt with impunity.

The entire records as per Pherist are enclosed herewith for kind perusal and advice.

I have the honour to be,
Sir,
Your most obedient servant,

Deputy Commissioner,

Sir,

I beg to bring to your kind notice that the Taluk Conference of Penukonda Taluk was fixed on the 21st instant. Many villagers attended the Conference. Taking advantage of the gathering, Mr. H.G. Chennabasappa of Ramasamudram Estate, addressed them just under the Mango trees in front of the T.B. telling the ignorant mass that they can remove the grains without permits etc.

As a result of his speech, some people have begun to remove the grains from their fields from village to village not exceed 3 permits. Some people have presented petitions as regards the subversive activities of Mr. H.G. Chennabasappa in this Taluk. All the petitions presented to Taluk office are herein enclosed for kind perusal. If this kind of subversive activities are allowed to continue, I am afraid that the object of Government will be frustrated and all the grains expected by the Government delays with ramark. Unless such activities are nipped at

the best and drastic action is taken against the persons responsible for such kind of activities, the quantity of food grains fixed for this Taluk will not come to the light.

As such activities will impede the acquisition of grains, I request you to kindly take immediate necessary action in this matter. The Reports of the cases presented to the Revenue Inspectors are also enclosed for favour of your perusal.

Yours obediently

To,

26-1-1945

Dear Sir,

With reference to the Deputy Commissioner's memo No. CS3 - 543/44-45 dated 12.1.45, forwarding for report a copy of Mr H.M. Chennabasappa's letter dated 7.1.45 making certain allegations against the Local officers regarding procurement of Food-Grains in Hunsur Taluk, I respectfully beg to submit at the very outset, that the allegations made therein are all quite false, in as much as no permit was issued from the office in any case to thrash food-grains, nor was any order passed under article 12 of the Food Acquisition order and in as much as no allowances were refused for domestic servants, according to the means, capacity and status of persons, to maintain such servants, in addition to allowances made for agricultural labourers. In the case of absentee Landlords

Rec'd 26/1/45

who has applied for permits to remove paddy from the Taluk, such permits were freely issued or were recommended to be issued either by the Sub-Division officer or the Deputy Commissioner as the case may be, soon after the receipt of the necessary particulars with certificates from the ration offices or officers of the Food Department in the Localities where such Absentee Landlords resided, according to rules. Every case connected with the Food Acquisition order is being promptly attended to, without causing even the least hardship to the ryots.

Mr. H.M. Chennabasappa's main object, however, seems to be to always misrepresent the Local officers and as such, I respectfully submit that his words or writings may always be taken at a discount. Infact he is carrying a campaign against the Local officers with ulterior motives taking advantage of the Recent Food Acqn. Order passed by Govt. He is a person that has stood for election to L.C. on Congress ticket and is trying to pose himself as the only

saviour of the ryots under the Acqn Order. In this Connection I beg to state that I was attending to the checking of Food Accounts and passing orders on H.S. Registers with the aid of my Special Shirastedar, at about 7 p.m. in the Taluk office, on the 17th instant, while there were several ryots awaiting in the Taluk Office Premises to receive Transport permits. At that hour Mr Channabasappa brought a number of ryots from Kalkunike Village (Part of Hunsur) and joined the people that were already in the premises of the Compound and began addressing the people within my hearing by saying that no permit is necessary for the removal of corn to their houses and that they can freely take away their Corn to their homes. He Vehemently attacked the Harvest-Acqn Order characterising it as a "Shanbhogues Scheme" biased on unreliable figures; and that it was unjust and unnecessary and has caused great hardship to the ryots. He also criticised

the action of some of the ryots in having voluntarily delivered some portion of their Surplus Corn from their wet lands before assessment order was passed and demand made by the Amildar, and also the action of the Local officers in accepting such Corn at the depots. He also pointed out to the ryots gathered that it was wrong on the part of some of the ryots in having Voluntarily Surrendered some portion of their food-grains to the Govt-depot and in also having agreed to have in exchange raji for paddy and asked them to demand back the Corn so delivered. He told the ryots that every Cultivator has a right to get allowances for the servants and that it was a serious blunder on their part not to have urged for necessary allowance being made in this behalf and that in future they should invariably demand for allowances to the servant and save as much Corn as possible for themselves,

warning 38 them that if they freely part with their corn to Govt, famine will break out soon in the Taluk and that they would suffer the same fate here also as the people in Bengal did last year. He also said that at this juncture proper leaders are required to champion their cause and give them relief and that this could be achieved only if men like himself are returned to Both the Houses in the Coming Elections. It is Ascertained that he also spoke in the same strain on the evening of the 19th addressing a large gathering of ryots assembled in the municipal playground, consisting of ryots, ordered to deliver surplus paddy by Govt, according to rules. The methods adopted by him to carry out the Election propoganda by unreasonably bringing home to the minds of the ignorant ryots that the Acqn Order is unjust, that the Local officers are unduly harassing them etc have created disaffection among the ryots, and greatly interfered with the Food Acqn work. The mischievous effect

A list of such persons prepared by his own handwriting + also a slip showing the subjects or points on which he spoke are enclosed for kind perusal

of this propoganda is already being felt in as much as corn is not freely moving to Gout as it did before the started his Election Propoganda in the Taluk. He has even gone so far as to ask some of the Shanbhogues who had been to the Taluk office to arist the amildars in getting orders passed on H.S, Registers, to go away to their Villages leaving the Amildar to himself. I am afraid that good acquisition work in the Taluk will be greatly hampered if he is allowed free to carry on his nefarious activities in future also. I have brought these facts to your kind notice for such action as you deem necessary.

In this Connection I also beg to submit that, in working out the Harvest Scheme, care has been taken to see that no undue hardship is caused to any of the ryots and ~~are made~~ that no orders passed on H.S, Registers contrary to the rules

In Tai Nadu of the 5th March, Mr. H.M. Chennabasappa has made a contribution entitled " ಪಿ ಐ ಯೂ ಮಚ್ಚರಾದ ಕೌಲ್ಯಾಕಿನಲ್ಲಿ ಕಾನ್ಸ್ ಕುಂಗ್ರೆಸ್ ಡಪಮ್ಮೆಚಿಕ್ಕೆಂ. (Vide flag "E")

~~In this~~ Mr. H.M. Chennabasappa has made serious allegations in this letter.-

i) That the officials arbitrarily fix the demand quotas without proper promulgations of the notices;

ii) That the demand notices have no bearing to the Ryots' productive capacity;

iii) That the assessments are made on imaginary figures; and

iv) That the ryots are not allowed sufficient time.

He has tried to substantiate his allegations by quoting a number of specific cases. The Sub Division Officer, Mysore, who has enquired into this matter thoroughly has made a detailed report in his letter No. R.C.130/44-45 dated 17-3-45 repudiating the allegations of Mr. H.M. Chennabasappa and showing clearly in all the specific cases given by Mr. H.M. Chennabasappa how his contentions and figures are absolutely erroneous and misleading (Vide flag "F")

So also Mr. Chennabasappa's contribution to Mysore Patrike under the caption " ಕ್ಷಾಮಕ್ಕೆ ಮಲ್ಲೆ ಮೂ ಅಲ್ಲ ರಾಜ ದುಸಿಷ್ಟ ದಿ " is absolutely misleading and incorrect. (flag 'G')

Police reports:

The Sub Inspector, Food Control duty, Periapatna has reported that on 13-1-45 Mr. H.M. Chennabasappa was seen encouraging ryots in his area not to surrender to the Government the required quota of paddy and ragi from their produce. (flag 'H')

On 21-1-45 the Sub Inspector has again reported (Flag 'I') that Mr. H.M. Chennabasappa was talking to a group of ryots near the Travellers' Bungalow at Periapatna that the ryots should preserve all the foodgrains for themselves. The Inspector of Police,

To

The Deputy Commissioner,

Mysore.

Sir,

With reference to your confidential memo No. C.S.3-639/44-45 dated 18th March 1945, forwarding the entire file regarding the activities of Mr. H.M. Chennabasappa of Periapatna for needful action, I have the honour to report that I have carefully gone through the records and feel there is enough material to bring Mr. H.M. Chennabasappa under the purview of the Defence of India Rules as applied to Mysore.

From the file of records the material particulars noted below go to show that Mr. Chennabasappa's being at large is a menace to public order and the performance of duties by public servants for the acquisition, handling, transport, supply and distribution of essential commodities in Periapatna and Hunsur taluks.

Reports from the Revenue authorities:

On 21-1-45, the Sub Division Officer, Mysore has reported that Mr. H.M. Chennabasappa addressed some ignorant ryots near the Travellers' Bungalow inciting them not to implement the recent Harvest Orders of the Government. (Vide flag 'A' & its enclosures)

The Amildar of Hunsur has reported on 26-1-45 that the activities of Mr. H.M. Chennabasappa have become so nefarious that acquisition work has been greatly hampered. (Flag 'B'

On 3-3-45 and again on 8-3-45 the Amildar of Periapat has reported that Mr. H.M. Chennabasappa has been inducing the ryo not to deliver surplus Ragi and Paddy to Government Depots. He has also enclosed several reports from Shanbhogues detailing the interference of Mr. H.M. Chennabasappa in the collection of

2

Periapatna, has reported on 24-2-45 that on account of Mr. H.M. Chennabasappa's propaganda, the Revenue Inspectors are complaining that the flow of grains to Government depots has been considerably hampered. Again on 27-2-45 the Police Inspector, Periapatna has reported that Mr. Chennabasappa instigated about 20 ryots to present petitions to the Amildar expressing their unwillingness to surrender the foodgrains to Government. Mr. H.M. Chennabasappa is stated to have termed the Harvest Order as "Shanbhogues Scheme" intended for the misery of the ryots.(vide flags 'J' & 'K').

Thus it could be clearly seen that Mr. H.M. Chennabasappa's activities, talks and writings since the working of the Harvest Order has come into operation in Mysore, has been one continuous chain of prejudicial acts and reports as defined in Rule 34 Cl.(6) (b) (c) & (h) & Cl.(7) of the Defence of India Rules as applied to Mysore. Though these acts and reports are in themselves punishable as specific offences, it seems desirable that under the circumstances now obtaining at Periapatna and Hunsur as a result of Mr. Chennabasappa's activities, that he should be detained under Rule 26 (1) (b) for a period of three months and after his release to be placed under certain restrictions under Rule 26 (d) (e) & (f) restricting his residence to his native village and prohibiting him from public activities, speeches and writings until such period as it is necessary in public interest.

Sir,

In obedience to your D.O.Letter No.C.S.3-639/44 dated 6th March 1945 forwarding a cutting from THE TAINADU dated 5-3-1945 containing an article from Mr. H.M.Chennabasappa, regarding the acquisition of Food Grains in Periapatna Taluk and requesting me to hold an enquiry at Periapatna and to review ~~the~~ the orders passed by the Amildar on H.S.1 and to check up the needs of the ryots and report as to whether the orders of the Amildar are in order etc., I beg to submit that I had been to Periapatna on the 10th instant and looked into the H.S.1, Pahani and Khanesumari Registers of Hunsavadi village, Kasaba Hobli, Periapatna Taluk, referred to in the article and examined the cases of the individuals noted in the article in question. Except in one or two instances the orders of the Amildar, Periapatna on the H.S.1 of Hunswadi village are correct and based on the instructions issued both by the Director of Food Supplies and the Deputy Commissioner from time to time. The Amildar in company with the Special Sheristedar, Revenue Inspector and the villagers (vide extract of his remarks dated 27-12-1944 at the time of Pahani Inspection - copy enclosed) has after checking the yield, fixed the Standard Yield in particular localities and on this basis he has passed orders on H.S.1. His estimated yield in certain localities correspond with the estimated yield of the Agricultural Department who have also conducted crop-cutting experiments in those areas (vide the letter of the Agricultural Fieldman also enclosed).

It is seen from the references available in the Taluk Office that the Demand List was published in Hunswadi village on 26-1-45 by affixing the same in the Basaweswaraswamy Temple in the village. The Revenue Inspector in charge of the hobli has also submitted a report on 26-1-1945 after publishing the Demand list in H.S.1 (a) in that village. Subsequently demand notices have been issued to the holders to surrender their surplus noted in their respective notices to Government Depot on or before 3-2-1945 as per circular instructions of the Director of Food Supplies in his Cirucular No. A.S.21/44-45 dated 25-11-1944. It was open to the holders aggrieved on such orders of the Amildar to have preferred an application to the Amildar for revision after delivering the ~~xxxxxxxx~~ uncontested portion of the surplus within 15 days from the date of such notice. So far none of the parties referred to in the article seem to have taken advantage of this privilege given to them. The Amildar represents that none of the holders have approached him for revision so far.

On a careful scrutiny of the purchase Register, Stock Book and Voucher Book, it is seen that immediately after the holders bring the surplus grains to the Depot covered with a permit in H.S.3, the grains are taken to the Purchase Register and then to the Stock Book after measurement and payments made invariably on the same day except on the holidays when payments are made on the next working day. The actual quantity and cost of the grains thus delivered to the Depot by the holders are being noted on the H.S.3 and returned to the concerned parties.

59

on H.S.1 are based
The Amildar's orders/on the following considerations:-

1. For seeds as per note 4 of Rule of the New Harvest Order dated 15-11-1944.

2. For Farm Labourers as per memo No.A.S.31/44 dated 29-12-1944 of the Director of Food Supplies.

3. For the inmates of the holders' family according Rule 4 a (1) of the New Harvest Order dated 15-11-1944.

In cases where the holder owns lands in several places orders have been passed to retain the food-grains for the above purposes from any one place the holder chooses and the remaining produce of his lands in other places have been ordered to be surrendered to Government Depot.

In cases where a land is given out for cultivation on Gutta or Vara tenure etc., allowances have been made both for the Land Lord and the tenant for their bonafide domestic use and the surplus ordered to be delivered to Government Depot after permitting either of them to retain the grains for seeds and cooli as per rules. In a few cases where the Amildar while passing orders on H.S.1 has not been able to get the necessary particulars of the absentee land holders, has ordered that the entire produce after making allowances for seeds and cooli, to be delivered to Government Depot, during the course of Huzur Jamabandi of Food Grains on 21-1-1945, I have issued necessary instructions to the Amildar to revise his orders if the parties subsequently furnish the particulars of their requirements in time.

It is seen from the marginally noted statement that an extent of 1942 A- 01 G. are under wet cultivation during the year 1944-45 as against 1731 A. 25 G. of land in the previous year and an extent of 30,608A-14G. are under Dry cultivation during the year 1944-45 as against 32,087 A- 6 G. during the previous year. Thus there is a net increase of 210A-16G of land under wet cultivation and a decrease of 1479-28 under Dry cultivation.

Year	Extent under Paddy		Ragi		Difference	
	A.	G.	A.	G.	A.	G.
43-44.	1731-	25.	32087-	06.	+ 210-	16
44-45.	1942-	01.	30608-	14.	-1479-	28.

Last year the Jamabandy was fixed only taking into consideration the orders passed on H.S.2 of the DECLARED HOLDERS ~~only~~. Since the treatment of a holder as 'Declared' and 'Non-declared' is not contemplated under the provisions of the New Harvest Scheme orders on H.S.1 have been passed on all the holders and the surplus ordered to be delivered ~~to be delivered~~ to Government. Moreover, last year in very many cases the then Amildar had not passed orders on H.S.2 and hence no correct account of the surplus available in the Taluk was kept up. During the time of the Officers' Meeting the Director of Food Supplies fixed the Jamabandy for paddy to this taluk as 300 pallas basing on the performance in acquisition work under the previous Harvest Scheme dated 3-12-1943.

Till this date no prosecutions have been launched against the holders in that Taluk under the Defence of India Rules for not delivering the surplus ordered under the present Scheme, neither is there a single instance of filing a prosecution against the Declared holders under the previous Harvest Order for failure to declare or to surrender the excess. There is no harassment to the holders of the Taluk as stated in the article.

The orders of the Amildar passed on H.S.1 relating to the indivudual holders referred to in the article were examined and are as follows:-

Sl. No. 1. One Javarappa of Sulekote village, Harnahalli Hobli has cultivated 3 acres and 10 guntas of land out 3 acres and 17 guntas of land in Hunswadi village and has grown Paddy. The Agricuotural Fieldman has conducted crop-cutting experiment in the area under Hunswadi Tank which has yielded 11 to 12 pallas per acre (vide his report enclosed) The amildar has inspected the Standing crops in company with the Special Sheristedar, Special Revenue Inspector and the villagers and has estimated the yield of certain block at 12 palls per acre and the rest at 8 pallas per acre. On a reference to the previous years H.S.2 declaration of this holder it is seen that he had declared the yield to be 45 pallas i.e. 14 pallas an acre. The present estimate of the Amildar at 10 pallas an acre appears to be modest.

Since this holder is not residing in the village and since he failed to give particulars regarding his requirements etc., the Amildar has after making allowances for seeds, passed orders that the holder should surrender the rest to Government.

During the time of Huzur Jamabandy of Food Accounts on 21-1-45, this was observed and the Amildar was instructed to examine this case and to revise his orders. Accordingly the Amildar has passed orders for retention in H.S.1 of Sulekote village, Harnahalli Hobli, where he resides and holds lands also.

Sl. No.2: Siddalingiah of Naralapura:- This holder cultivates 3 A. 14 G. of land in S.No.100 of Hunswadi village belonging to Mr. H.M.Chennabasappa and gets half the produce to his share. He also holds dry lands to an extent of 4 acres in S. Nos. 83 and 84 of Naralapura village and gets a total yield of 44 pallas of paddy and 12 pallas Ragi. This holder , to his share, gets 22 pallas of paddy and 12 pallas Ragi.

The Special Sheristedar has in this case also inspected the standing crop and has estimated the yield at 13 pallas an acre.

The Amildar, in the absence of the required particulars regarding the holder's requirements, had passed orders on H.S. 1 of Hunswadi village that this holder should surrender 17 pallas 40 seers to Government, since the Shanbhog had failed to note in the H.S.1 of this village that he had given necessary dakhala to the shanbhog of Naralapura village where the party is residing.

This fact was also observed during the time of Huzur Jamabandy of Food accounts on 21-1-1945 and the Amildar was asked to revise his orders suitably on getting the required particulars. But at the same time the Amildar had passed orders on H.S.1 of Naralapura village allowing the holder for his BONA FIDE use since the Shanbhog had taken the Dakhala from the Hunsawadi village. The Amildar has since revised his orders on 28-1-1945 on the H.S.1 of Hunsawadi village and has subsequently issued a separate notice to the party.

Sl. No.3: Gorava: of Hunsawadi village: This holder cultivates 1 acre and 6 guntas of wet land and 2 acres of dry land in Hunswadi village and gets an yield of 9 pallas 34 seers of paddy i.e. at 8 pallas an acre and 7 pallas and 40 seers of Ragi. Since he cultivates the dry lands on Vara tenure he gets only 3 pallas 80 see of Ragi to his share.

This yeild at 8 pallas of paddy an acre has been arrived only after examining the standing crops on the field by the Special Sheristedar. According to the Khanesumari figures allowances have been made by the Amildar permitting the holder to retain 3 pallas 40 seers of Paddy and 3 pallas 80 seers of Ragi. Since he owns only a small bit of land allowances for cooli have not been made.

S.L.No.4 Sanda: There is no person by this name in the village as could be seen both from the H Khanesumari and H.S.1 Registers.

61

Sl. No.5, Rama of Hunsawadi This holder cultivates 3 acres of dry lands in S.No.150 of Hunsawadi village on Vara tenure and gets a vara of 4 pallas 50 seers of Ragi and 1 acre and 20 guntas of dry land in S.No.160 and gets an yield of 4 pallas of Ragi. In both the cases the estimated yield is taken at 3 pallas an acre, being the average yield in the locality.

On H.S. 1 of Hunsawadi village, The Amildar had passed orders allowing the holder 1 palla and 80 seers of Ragi for his BONA FIDE use and 15 seers of Ragi for seeds (S.No. 160). In this case the Amildar has passed orders on H.S.1 allowing for only ONE person instead of for TWO Persons. There appears to be some change effected in the No. of members in the family of this holder in the H.S.1 and Khanesumari of the village after the orders of the Amildar are passed. This was also observed at the time of Huzur Jamabandi and the Amildar was asked to revise his orders, on verification if necessary.

Sl. No.6. KOvi Javara: This holder cultivates 0-36 guntas of wet land of which 0-16 guntas on Vara tenure and the remaining 20 guntas by self cultivation. He also holds 5 acres and 30 guntas of dry land in S.Nos. 6 and 166 of Hunswadi village.

According to the estimated yield in the locality this holder gets a gutta of 3 pallas of paddy for 0-10 guntas and 4 pallas for 0-20 i.e. in all he gets 7 pallas of paddy and 18 pallas and 50 seers of Ragi.

The Amildar after allowing for seeds has ordered the rest to be surrendered to Government. It was not possible to verify as to whether the allowances for the number of members in the family was correct or not since the name of this holder is not to be seen in the Khanesumari of the village. The Amildar has been asked to verify this and revise his orders if necessary

Sl. No.7, Vengata of Boothanahalli (Inam village): This holder cultivates 4 acres and 20 guntas of Dry land in Hunswadi village. The estimated yield is 12 pallas 50 seers of Ragi. The Amildar has passed orders that he should surrender 12 pallas and 5 seers to Government after retaining 45 seers for seeds, Since the Food accounts of the Inam village were not ready at the time of Huzur Jamabandy, the Amildar was instructed to get them ready and to pass revised orders after making allowances to this holder for his BONA FIDE use and for Cooli after getting the necessary particulars of the holder.

Sl. No. 8. Thammiah of Hunswadi village. This holder cultivates 3 acres of wet land and 2 acres and 27 of dry land and gets a total yield of 14 pallas of paddy and 10 pallas of Ragi. Out of 3 acres of wet land Kar paddy is grown in two acres and the estimated yield is at 4 pallas an acre. i.e. 8 pallas of paddy. The remaining bit of 1 acre is a tank-fed land and the estimated yield is 6 pallas an acre. According to Khanesumari figures he has allowed for the two persons and for cooli and seeds. According to the Pahani the estimated yield is also correct.

It may, therefore, be kindly seen from the above that the estimated yields, the allowances for BONA FIDE use and for seeds and the surplus ordered by the Amildar are correct and reasonable, except in the cases referred to above (Sl. Nos. 5, 6 & 7). At the outset it may be stated that the article is far from truth and reality.

The report of the Amildar, Periapatna with his D.O. letter No. 44/44-45 dated 8-3-1945 together with the connected references are submitted herewith for kind perusal. (C O N T I N U E D)

Dear Sir,

With reference to the article given by me to Mr. Chennabasappa and appearing in "Jaina Mitra" of 5th March last under the heading "ಶ್ರೀ ಅಜಿತಸೇನ ಭಟ್ಟಾರಕ ಸ್ವಾಮಿಗಳವರ ಪೀಠಾರೋಹಣ", I beg to submit as follows:—

It is quite astonishing to note that Charadi lists have not been published before. Various notices are issued. In all the Hoblis of this Taluk Charadi lists have been sent to the Revenue Inspectors followed by notices also. The Charadi list of Hunsiwadi in question is published on the 26th January 1945 in the village and certified by the Revenue Inspector of Kareera Hobli. The demand notices have all been issued subsequently. If Mr. H. M. Chennabasappa was absent from his village on account of Election work at that time it does not mean that the Charadi list is not published. Further the

The assessment is based on the strength of the special paharas written by the Shanbogue. Estimates have all been moderate and reasonable and the allowances are liberal. The Sub Division officer at the time of Toor Jamabandi has fully satisfied himself of the Estimates and the allowances left for the consumption of the ryots.

As regards the difference in the larger figures of last year and this year, I beg to submit that most of the H.S.2 forms were not written and assessment was totally neglected as can be seen from the figures of last year. The total area declared

ಸ್ವಾಮೀ,

ಪಿರಿಯಾಪಟ್ಟಣ ತಾಲ್ಲೂಕಿನಲ್ಲಿ ಧಾನ್ಯ ಸಂಗ್ರಹ ನಡವಳಿಕೆಗಳ ವೈಶಿಷ್ಟ್ಯ ವಿಚಿತ್ರವಾಗಿದೆ. ಧಾನ್ಯ ಸಂಗ್ರಹ ಕಾನೂನಿನ ೬ ನೆ ಕಲಂ ೪ ನೆ ಸಬ್‌ಸೆಕ್ಷನ್ ಪ್ರಕಾರ ಶುಕ್ರವಾರ ಪಟ್ಟಿ ತಯಾರುಮಾಡಿ ಅದರಲ್ಲಿ ರೈತನ ಹೆಸರು, ಸರ್ವೆ ನಂಬರು, ಅಂದಾಜು ಉತ್ಪತ್ತಿ, ಹಿಸ್ಸೆ, ರೈತನಿಗೆ ಬಿಟ್ಟಿರುವ ದವಸ, ಹೆಚ್ಚುವರಿ ದವಸ, ಧಾನ್ಯ ಪಾವತಿ ಮಾಡಬೇಕಾದ ದಿನ ಮುಂತಾದ ವಿವರಗಳನ್ನು ನಮೂದಿಸಿ ಗ್ರಾಮ ಚಾವಡಿಯಲ್ಲಿ ಹಾಕಿ ಟಾಂಟಾಂ ಮೂಲಕ ಪ್ರಸಿದ್ಧಪಡಿಸಬೇಕು. ಆದರೆ ಬದಲು ಅಧಿಕಾರಿಗಳು ತಮಗೆ ತೋಚಿದಷ್ಟು ಹೆಚ್ಚಿನ ದವಸವನ್ನು ಕೊಡಬೇಕೆಂದು ದಿಮ್ಮಾಂಡು ನೋಟೀಸುಗಳನ್ನು ಕೆಲವು ಗ್ರಾಮಗಳಲ್ಲಿ ಜಾರಿಮಾಡಿರುತ್ತಾರೆ. ಈ ನೋಟೀಸುಗಳಲ್ಲಿ ಕಂಡುಬರುವ ಅಂಶಗಳು ಸ್ವಾರಸ್ಯವಾಗಿವೆ.

ಅಸೆಸ್‌ಮೆಂಟಿನ ವಿಷಯದಲ್ಲಿ ರಿವಿಜನ್ ಅರ್ಜಿ ಹಾಕಲು ಕಾಲಾವಧಿ ತಾ॥ ೧-೨-೧೯೪೫ ಎಂದು ಕಾನೂನಿನಲ್ಲಿ ವಿಧಾಯಕವಾಗಿರುವುದು ಗೊತ್ತಿದ್ದರೂ ಅವುಗಳನ್ನು ಕಡೆಗಣ್ಣಿಸಿ ಅಥವಾ ಮುಖ್ಯ ಉದ್ದೇಶದಿಂದಲೊ ಆ ಕಾಲಾವಧಿ ಕಳೆದ ಪಂಚರ ಅಸೆಸ್‌ಮೆಂಟು ಮುಗ್ಗು ದಿಮ್ಮಾಂಡ್ ನೋಟೀಸನ್ನೂ ಏಕಕಾಲದಲ್ಲಿ ಹೊರಡಿಸಿರುತ್ತಾರೆ. ಸಾಮಾನ್ಯವಾಗಿ ತಾ॥ ೨-೨-೪೫ ರಲ್ಲಿ ಹೊರಟ ನೋಟೀಸು ರೈತನಿಗೆ ಜಾರಿಯಾಗಬೇಕಾದರೆ ನಾಲ್ಕಾರು ದಿನಗಳು ಬೇಕೆಂಬುದು ಅನುಭವಸಿದ್ಧವಾಗಿದ್ದರೂ ತಾ॥ ೬-೨-೪೫ ರೊಳಗೆ ದವಸ ಪಾವತಿ ಮಾಡಬೇಕೆಂಬ ಖರ್ಚಂಧ ಹಾಕಿದ್ದಾರೆ. ದವಸ ಪಾವತಿ ಮಾಡಿದವರಿಗೆ ಆ ಬಗ್ಗೆ ರಶೀತಿಗಳೇ ಕೊಡುತ್ತಿಲ್ಲ. ರಶೀತಿಗಳೇ ಇಲ್ಲದಿರುವಾಗ ರಿವಿಜನ್ ಅರ್ಜಿ ಹಾಕುವ ಅವಕಾಶವೇ ಇಲ್ಲ ಎಂದ ಮೇಲೆ ರೈತನಿಗಿರುವ ಅಲ್ಪಸ್ವಲ್ಪ ಹಕ್ಕುಭಾದ್ಯತೆಗಳಷ್ಟೂ ಸಹ ಬದಿಗೊತ್ತಿರುವರೆಂದು ಹೇಳದೆ ವಿಧಿಯಿಲ್ಲ. ನ್ಯಾಯಾನ್ಯಾಯ ವಿಮರ್ಶೆಯಿಲ್ಲದೆ ದಿಮ್ಮಾಂಡು ಮಾಡಿದಷ್ಟು ದವಸವನ್ನು ಹೇಗೊ ಹೊಲುಮಾಡಿ ಕಿಡಬೇಕೆಂಬ ಕುತೂಹಲವು ತಾನಾಗಿಯೇ ವ್ಯಕ್ತವಾಗುತ್ತದೆ. ಮೇಲ್ಕಂಡ ನೋಟೀಸುಗಳ ಕೈಕೆಲಸವನ್ನು ಇಲ್ಲಿ ಉದಾಹರಿಸಿದೆ. ಹುಣಸಾಡಿ ಗ್ರಾಮದ ಕೆಲವು ರೈತರಿಗೆ ಕೊಡಲಾದ ದಿಮ್ಮಾಂಡುಗಳಷ್ಟೂ ಅವರವರ ವರಮಾನಗಳನ್ನೂ ಕೊಡಲಾಗಿದೆ.

ಜವರಪ್ಪ ಎಂಬುವರು (ಹುಣಸಾಡಿ) ೨೪ ಪಲ್ಲ ೫ ಸೇರು ಭತ್ತ ಕೊಡಬೇಕೆಂದು ದಿಮ್ಮಾಂಡು ನೋಟೀಸು ಕೊಡಲಾಯಿತು. ಆದರೆ ಆ ರೈತನ ಉತ್ಪತ್ತಿ ಕೇವಲ ೮ಪಲ್ಲ ೮೦ಸೇರು ಭತ್ತ ಮಾತ್ರ. ಶಿದ್ದಿಂಗಯ್ಯ ಎಂಬುವರು ೧೬ ಪಲ್ಲ ೪೦ ಸೇರು ಭತ್ತ ಕೊಡಬೇಕೆಂದು ದಿಮ್ಮಾಂಡು ಮಾಡಲಾಯಿತು. ಅವರ ಉತ್ಪತ್ತಿ ೮ ಪಲ್ಲ ೪೦ ಸೇರು ಮಾತ್ರ. ಗೌರವ ಎಂಬವರು ೬ ಪಲ್ಲ ೧೪ ಸೇರು ಭತ್ತ ಕೊಡಬೇಕೆಂದು ದಿಮ್ಮಾಂಡು. ಅವರ ಉತ್ಪತ್ತಿ ೨ ಪಲ್ಲ ೪೦ ಸೇರು ರಾಗಿ ಮತ್ತು ೨ಪಲ್ಲ೪೦ ಸೇರು ಭತ್ತ. ಸಂಡ ಎಂಬವರು ೨ಪಲ್ಲ ೪೫ ಸೇರು ರಾಗಿ ಕೊಡಬೇಕೆಂದು ದಿಮ್ಮಾಂಡು. ಅವರ ಉತ್ಪತ್ತಿ ೧ಪಲ್ಲ ೩೦ಸೇರು ರಾಗಿ. ರಾಮು ಎಂಬವರು ೬ ಪಲ್ಲ ೫೫ ಸೇರು ರಾಗಿ ಕೊಡಬೇಕೆಂದು ದಿಮ್ಮಾಂಡು ಆದರೆ ಅವರ ಉತ್ಪತ್ತಿ ೬ ಪಲ್ಲ ರಾಗಿ ಮಾತ್ರ. ಕೋವಿ ಶೆಟ್ಟರ ಎಂಬುವರು ೧೪ ಪಲ್ಲ ೪೭ ಸೇರು ರಾಗಿ ಮತ್ತು ೪ ಪಲ್ಲ ೪೮ ಸೇರು ಭತ್ತ ಕೊಡಬೇಕೆಂದು ದಿಮ್ಮಾಂಡು. ಆದರೆ ಅವರ ಉತ್ಪತ್ತಿ ೪ ಪಲ್ಲ ೦೦ ಸೇರು ರಾಗಿ ಮತ್ತು ೨ ಪಲ್ಲ ೦೦ ಸೇರು ಭತ್ತ. ವೆಂಕಟೆಪ್ಪ ಎಂಬವರು ೧೫ ಪಲ್ಲ ೫ ಸೇರು ರಾಗಿ ಕೊಡಬೇಕೆಂದು ದಿಮ್ಮಾಂಡು, ಆದರೆ ಅವರ ಉತ್ಪತ್ತಿ ೪ ಪಲ್ಲ ೦೦ ಸೇರು ರಾಗಿ ಮಾತ್ರ. ತಮ್ಮಯ್ಯ ಎಂಬವರು ೬ ಪಲ್ಲ ೭೦ ಸೇರು ರಾಗಿ ಮತ್ತು ೧೧ ಪಲ್ಲ ೧೦ ಸೇರು ಭತ್ತ ಕೊಡಬೇಕೆಂದು ದಿಮ್ಮಾಂಡು, ಆದರೆ ಉತ್ಪತ್ತಿ ೬ ಪಲ್ಲ ೭೦ ಸೇರು ರಾಗಿ ಮತ್ತು ೩ ಪಲ್ಲ ೩೦ ಸೇರು ಭತ್ತ ಮಾತ್ರ.

ಈ ನೋಟೀಸುಗಳಿಂದ ಸ್ಪಷ್ಟವಾದ ಅಂಶಗಳು ಹೊರಬೀಳುತ್ತವೆ. ಅನೇಕ ಸಂದರ್ಭಗಳಲ್ಲಿ ರೈತನ ಒಟ್ಟು ಉತ್ಪತ್ತಿ ಅವನ ಅವಶ್ಯಕತೆಗಳಿಗಿಂತಲೂ ಪದಿಕರ ಲೆಕ್ಕದ ಪ್ರಕಾರವೂ ಕಮ್ಮಿಯಿರುತ್ತದೆ. ಹೀಗಿರುವಲ್ಲಿ ಒಟ್ಟು ಉತ್ಪತ್ತಿಯು ಎರಡರಷ್ಟು ಮೂರರಷ್ಟು ದಿಮ್ಮಾಂಡು ಮಾಡಿರುವುದು ಅತ್ಯಾಶ್ಚರ್ಯವಾಗಿದೆ. ಒಟ್ಟಿನಲ್ಲಿ ರೈತನ ಅವಶ್ಯಕತೆಗಳನ್ನೂ ಕಾನೂನಿನ ಧ್ಯೇಯವನ್ನೂ ಸುರಕ್ಷಿತವಾಗಬಹುದೆಂದು ಹೇಳಬಹುದು. ಕೆಲವು ಸಂದರ್ಭಗಳಲ್ಲಿ ಒಂದು ಜಮೀನಿನ ಪೂರ್ತಿ ಉತ್ಪತ್ತಿಯನ್ನೂ ಜಮೀನ್ದಾರನ ಮೇಲೂ ಇದರ ಜತೆಗೆ ಅರ್ಧ ಉತ್ಪತ್ತಿಯನ್ನು ಸಾಗುವಳಿದಾರನ ಮೇಲೂ ಅಸೆಸ್ ಮಾಡಿರುವ ನಿದರ್ಶನಗಳೂ ಉಂಟು. ಬೆಳೆಗಳ ಸ್ಥಿತಿಗತಿಗಳನ್ನೂ, ಶ್ರಾಮುಘೋಗರು ಮತ್ತು ಸ್ಥಳೀಯ ಪಂಚಾಯಿತರ ಅಸೆಸ್‌ಮೆಂಟನ್ನೂ ಖಂಡಿತವಾಗಿ ಕಮಿಷ್ಟನಂತ ಯಾವುದೋ ಒಂದು ಎಳರವಾರು ಅಂಶಿಯಂತೆ ಲೆಕ್ಕ ಹಾಕಿ ಅಸೆಸ್ ಮಾಡಿರುವುದರಲ್ಲಿ [illegible] ಕಳೆದ ಪರ್ಷ ಇದ್ದ ಭತ್ತದ ಸಪ್ಲೈಸ್ ಅಂದಾಜು ಮುಕ್ಕಾರು ಪಲ್ಲ ಇದ್ದುದು ಈ ಸಾರಿ ೩೦೦೦ ಪಲ್ಲಕ್ಕೆ ಏರಿಸಿದೆಯೆಂದು ತಿಳಿಬಂದಿದೆ. ಇವೆಲ್ಲವನ್ನೂ ನೋಡಿದರೆ ಹೆಚ್ಚು ಧಾನ್ಯ ಸಂಗ್ರಹವಾಡಿ ಶಹಭಾಸ್‌ಗಿರಿ ಪಡೆಯುವ ಸಮಾರಂಭದಲ್ಲಿ ವಾಸ್ತವಾಂಶಗಳನ್ನು ಸಂಗ್ರಹಿಸಲು ಅಧಿಕಾರಿಗಳು ಲೇಶಮಾತ್ರವಾ ದೇಹಶ್ರಮ ಮತ್ತು ವಿವೇಚನೆಗಳನ್ನು ಉಪಯೋಗಿಸಿಲ್ಲವೆಂಬುದು ತಾನಾಯೇ ವ್ಯಕ್ತವಾಗುತ್ತದೆ.

ಕಾನೂನಿನ ಉದ್ದೇಶವು, ಆಹಾರವು ಎಲ್ಲರಿಗೂ ಸಮನಾಗಿ ಹಂಚಿಕೆಯಾಗಿ ರೈತನು ಹೆಚ್ಚಿನ ಉಮೇದಿನಿಂದ ದವಸ ಬೆಳೆದು ಕಳ್ಳ ವ್ಯಾಪಾರ ಇವುಗಳನ್ನೂ ಕಡೆಗಟ್ಟಬೇಕೆಂದಿರುವಾಗ ಅಧಿಕಾರಿಗಳು ರೈತನಿಗಿರುವ ಅಲ್ಪಸ್ವಲ್ಪ ಹಕ್ಕುಭಾದ್ಯತೆಗಳನ್ನೂ ಲೆಕ್ಕಿಸದೆ ಅವನನ್ನು ಕಾನೂನಿನ ಬೆಲೆಗೆ ಸಿಕ್ಕಿಸಿಕೊಂಡು ಅವನ ಅವಶ್ಯಕತೆಗಳನ್ನು ಏರ್ಪಡಿಸಿ, ಹೇಗೋ ಹೆಚ್ಚು ಧಾನ್ಯ ಸಂಗ್ರಹಮಾಡಿ ಮೆಚ್ಚುಗೆಯನ್ನು ಪಡೆಯುವುದು ಖಂಡಿತವಾಗಿಯೂ ಕಾನೂನಿನ ಉದ್ದೇಶವಲ್ಲ. ಅಧಿಕಾರಿಗಳು ಹಾಗೆ ಮಾಡಿದರೆ ಅದು ಅಕ್ಷಮ್ಯ ಅಪರಾಧವೆಂದು ಪರಿಗಣಿಸುವರೆಂದು ನಿರೀಕ್ಷಿಸಲಾಗಿದೆ.

[illegible] ದಿಮ್ಮಾಂಡ್ ನೋಟೀಸುಗಳನ್ನು ರಿವಿಜ್ ಕಾಲಾವಧಿಯನ್ನು ಮೀರಿಸಿ ಜಾರಿಮಾಡಿರುವುದರಿಂದ, ದಿಮ್ಮಾಂಡ್ ದವಸವನ್ನು ಇಂದಲಿ, ಇಲ್ಲದಿದಲಿ ರೈತನು ಕೊಟ್ಟೇ ತೀರಬೇಕು. ಇಲ್ಲವೆ, ತನ್ನಲ್ಲಿರುವಷ್ಟು ಸರ್ಕಾರಕ್ಕೆ ಒಪ್ಪಿಸಬೇಕು. ತಪ್ಪಿದರೆ ಕಾನೂನಿನ ಬಲೆಗೆ ಸಿಕ್ಕಿ ನರಳಬೇಕು. ಇಷ್ಟೆಲ್ಲಾ ರೈತನು ಉತ್ತು, ಬಿತ್ತಿ, ಬೆಳೆದಿದ್ದಕ್ಕೆ ಪ್ರತೀಕಾರ. ಇಂತಹ ಸನ್ನಿವೇಶದಲ್ಲಿ ಯಾವ ರೈತನೂ ತನ್ನ ಆತ್ಮಗೌರವವನ್ನು ಳಿಸಿಕೊಂಡು ವ್ಯವಸಾಯ ಮಾಡುವುದಂತಿಲ್ಲ. ಸರ್ಕಾರದವರು ಕೂಡಲೆ ಸೂಕ್ತ ಕಾರ್ಯಕ್ರಮವನ್ನು ಕೈಗೊಳ್ಳುವರೆಂದು ನಂಬುತ್ತೇನೆ.

Remarks made by the Amildar at the time of pahani Inspection, of Hunasavadi village on 27-12-1944. 12

Inspected standing paddy crop on the 27th December 1944 in company with the special sheristedar Kasaba Revenue Inspector and some villagers of Hunasavadi Village. Checked the yield of paddy in a number of cases. The villagers who were present are also of the same opinion as myself so far as paddy yield is concerned. Inspected the block of paddy field belonging to Mr. H. M. Chennabasappa of Nanjinatha pura Estate. There has been uniform growth of paddy. The flow of water from the tank to his strip of land is abundant. As it is There is one foot deep of water even to-day. It is ascertained that Mr. H. M. Chennabasappa has used artificial manure for growing paddy in this vast strip of land which is about thirty five acres. This strip of land contains Nagapuri Farm Kadai, Coimbatore Sanna and Ratna chudi variety and all these varieties are grown well and the modest Estimate made by the villagers for these crops standing in this contiguous strip of land per acre is eight candies or twelve pallas and eighty seers. The yield per acre in other S.NOS where the flow of water

10/3

from the tank is insufficient, can be estimated at eight pallas. The yield per acre so far as Ragi is concerned can be estimated at three pallas excepting those S.No. which are lying fallow. The calculation may be effected according to the directions noted by me.

Dear Sir,

I beg to bring to your kind notice that the acquisition work is very much hamstrapped on account of Mr. H.M. Chennabasappa's inducement to ryots not to deliver surplus Raji and paddy to the Government depots of Perapatna and Bettadapur. The Shirastadar also has experienced the same difficulty at Bettadapur and Hannahalli Hobli. A number of petitions are presented to me through the Shirastadar regarding the acquisition of Raji and paddy in various parts of Perapatna Hobli. Some petitions are presented to me in Kasaba Hobli also experiencing difficulty in acquisition work on account of the interference of Mr. H.M. Channabasappa the petitions are all enclosed for kind perusal and submission to the Deputy Commissioner to kindly take immediate needful action or otherwise the

Quota earmarked for Perapatna Taluk is not likely to come to the Government officials. During my tour in the villages, people are orally telling that there is some promise held up by Mr. H.M. Channabasappa and that they can safely retain foodgrains with them. If no immediate action is taken against Mr. H.M. Channabasappa under Defence of India Act as applicable to mysore, I am afraid that there will be very great difficulty experienced by Village Officers and the Special Staff in this Taluk.

Yours obediently

Sir,

I beg to submit herewith representations received from several Shanbhoguas of Kavanahalli and Bettadapura Hoblies for favour of kind perusal and orders.

During my tour in the above two Hobblies inspite of my best efforts and serving Chavadi Patties and H.S. notices in all the Villages, except one not containing forward to surrender the Sarpeus amount already owned on H.S., I suspected that some under hand Current must be working against my efforts and began to make Confidential enquiries in the matter. Subsequently I came to know, that M/s H.C. Channabasappa of Nandinathpur in Kasaba Hobly has instigated the ryots in his Hobly not to be afraid of the H.S. notices issued from the office and

It is also learnt that some of his representatives are Coming to these districts and scandalising the Harvest Scheme ~~ords~~. At this stage it has become extremely difficult for the Village officials also ~~to~~ in discharging their work efficiently as could be seen from their representations.

In these Circumstances it is requested that necessary action may kindly be recommended to be taken on Defence of India Section, lest it will be impossible to Collect either food grains or even Land Revenue in a sound way.

Dear Sir,

I beg to submit herewith the Confidential Reports received in this office from time to time of the Special Head Assistant and the Special Revenue Inspector and the Sales Depot clerk, Kanagal of Hanaballi for framing their personal orders.

The repercussions of subversive propaganda of one H.M. Chennabasappa of Nandimatha in this Taluk unchecked so far, have resulted in the climax that the villagers of Basavanahalli have assaulted the Special Revenue Inspector of Hanaballi & Dhi of Penukonda Taluk and the Sales Depot clerk, Kanagal.

H.M. Chennabasappa is interfering even in Smuggling cases. The case is registered in the Police Office, Penukonda. His Telegram and his letter to the Deputy Commissioner are enclosed for favour of perusal. I am given to understand that H.M. Chennabasappa actually interfered in a Smuggling Case when Mr. Mahomed Ahamed was the Sub-Divisional Officer of this Sub-Division. One Dozen armed police may kindly be stationed at Kanagal and other 'Haats'.

H.M. Chemmanasabha has set on foot the rumour that he has spoken to the Revenue Commissioner and the Revenue Minister and that I would be transferred from this place very shortly. He has also been telling that he would give articles to the papers and write petitions against Revenue and Food staff to the Higher authorities and bring a thorough transformation.

Sir,

In Continuation of my report dated 19.3.45, I beg to submit the following for your kind perusal and favour of taking immediate action in the matter.

As per your kind instructions from the last 20 days, I am touring in Bettadapura and Haranahally Hobli for acquiring ragi specially graded as superior on A.S., of several Villages. Despite of my and special Revenue Inspectors best efforts and explaining present rules regarding acquisition scheme to the Villagers they are not at all moved and coming forward to surrender the grains voluntarily. On a Confidential enquiry it has been definitely ascertained that A/c A.C. Channa of Nandinarapura has assured the

ryots that he wanted to do these things and see that every ryot is not worried about delivery of grains. He has sent words to the leading people of several Villages to put applications in the draft form which he has sent and definitely telling not to deliver any grain. He has openly said in one of the Villages of Kasaba ~~Hobli~~ "ಶಾಸ್ತ್ರಿಯವರು ಹೇಳಿದ್ದಾರೆ ಯಾರೂ ಕಂದಾಯ ಕಟ್ಟಬೇಡಿ ಮತ್ತು ಕಟ್ಟಿದರೆ ಮತ್ತೆ ಕೊಡುವುದಿಲ್ಲ. ನಿಮ್ಮ ಹೊಲವನ್ನು ನಾನು ಉಳುತ್ತೇನೆ. ನಿಮಗೆ ಬೇಕಾದಷ್ಟು ಧಾನ್ಯ ಕೊಡುತ್ತೇನೆ".

I am also herewith enclosing an application drafted in his own hand by one Jayarappa of ~~Hunsavadi~~ for favour of kind perusal and information. It is clearly seen that he is instigating the innocent ryots to go to him whenever the Special Deputy or the Spl Revenue Inspector demand for grains and represent their grievances. It is also definitely ascertained that Sri Channabasappa has assured them that he would approach the minister and see that the entire staff i.e. the Amildar, Special Deputy and Special Revenue Inspectors transfered from this Taluk.

When I had been to Basavanahally to watch smuggling Cases of grains, within my hearing somebody was telling of me "ಪರ್ಸನ್ ಬಸವನಹಳ್ಳಿ ನಲ್ಲಿ ಇದ್ದಾಗ ಕೆಲವು ನಾಯಕರ ಜೊತೆ ಮಾತನಾಡಿದ್ದಾರೆ. ಅವರು ಯಾವ ಊರಿಗೆ ಹೋದರೂ ಅಲ್ಲಿ ಯಾರು ಚನ್ನಬಸಪ್ಪನವರ ಪರವಾಗಿ ಮಾತನಾಡುತ್ತಾರೆ". Whichever Village I go I hear the Villagers mentioning the name of Mr. Channabasappa for winning and generally telling "ಅವರು ಒಳ್ಳೆಯ ಕೆಲಸ ಮಾಡಿಕೊಟ್ಟಿದ್ದಾರೆ ಅವರಿಗೆ ಓಟು ಹಾಕಿ". ಪರ್ಸನ್ ಬಸವನಹಳ್ಳಿ ನಲ್ಲಿರುವ ಕಾಂಗ್ರೆಸ್ ಕಾರ್ಯಕರ್ತರಿಗೆ ಕೂಡಲೆ ಹಣ ಕೊಟ್ಟಿದ್ದಾರೆ.

~~Various documents~~

The special Revenue Inspector Ramanaiah has recently booked one horsegram smuggling case at Chikka Ramanahally Kadu. I hear that the parties are closely intimated to Mr. Channabasappa and he has wired to the Director of Food Supplies and the Deputy Commissioner in this matter stating that the Case was booked not at "Kadu" but in the interior and also he has intimated the parties to state that the horsegram Cash was caught at Chikkanerle Village and not at Kadu and to give such false evidence to that effect.

Further I also came to know that some of the people Connected in

Kanagal smuggling Case in which the Special Revenue Inspector was assulted recently are going on often and acting according to his advise. From these facts it can be clearly concluded that Mr. Channabasappa is at the bottom of these smugglers giving them timely intimations and instructions. I do not know why this gentleman being the L.C. member is taking undue advantage and interfering in such Cases which stands on evidences and an hindrance to Govt work. It is also not known at what stage this Case stands. If appeared a report may kindly be called for from the Police Inspector as to what action they have taken in this Case where a responsible Govt official in discharging his legitimate duties has been assulted by the smugglers. I pray that the Deputy Commissioner may also be requested to kindly open fire posting at least a dozen armed police force in the border villages to watch smuggling as the level of the water in the river has come down which has facilitated the smugglers to cross the river in small places.

In these circumstances it has become extremely dangerous for Civil Supplies officials to move single in Villages as the Villagers have been backed to do any harm. Hence I pray that kind recommendation may kindly be made to post atleast five armed police peonce to assist each Special Revenue Inspector and myself.

I also further beg to submit that if no drastic action is taken against Mr. Sri. Channabasappa for his unnecessary interference and mis-leading the Villagers I am afraid that it would be very difficult to acquire paddy and Ragi successfully and to carryon any Govt. work satis-factorily and pray that I may not kindly be held responsible for any slackness in this behalf. Sir,

It is learnt that one Hutchegowda of Doddakamanavalli was transporting 14 bales of Bengal gram from Agalikamahalli to his village for hoarding purposes on 12.3.1945. On the way, the Revenue and Police officers are said to have siezed the property at Chikkamerle in Periyapatna taluk and forwarded the same along with the records to the Periyapatna police station. Law provides for such an action in the cases of transportation of controlled commodities

to places outside the state. It looks surprising that movements of Bengal gram (Huruli) from village to village should be restricted and unnecessary annoyance & inconvenience caused to the ryot. At this rate no ryot of self-respect can honourably stick to his profession and farmers gradually lose comfort in the agricultural profession. This is I am sure not in keeping with the policy of Government particularly under the present situation. I shall be obliged for immediate and necessary enquiries in the matter and for such action as you deem fit in the interest of justice

thanking you

Sir,

I beg to submit that I got information that No. Kote Channabasu has drafted some application in his own hand writing and sent the same to some of the ryots of Hanumakally and Battadapura stating with instructions

not to receive grains to the Depot and to send applications to the Brigadier in the draft form sent by him. I am just trying to get one or two of such type. I am expecting them to-day. I will send with a separate report after receipt of the same. I am afraid that a little rain will not be very difficult to acquire paddy from more deficient Savant & Kagi merchants.

In inviting your Kind reference to my report regarding The Smuggling case. I beg to report That- I have Sized nearly fifteen pallas of horsegram at Basavanahalli Kadu. The detailed report has already Submitted to the Kind Self. After I have made a confidental enquiry I learnt That it was done only on the influence and instigation of Mr. H.M. Channabasappa of Nandinathapur. On the day when I booked the case if I had been caught by the raiyats my life would have gone. There is a rumur That Mr. Channabasappa gave the following instructions to the Raiyats. "ಯಾರು ಈ ದರಖಾಸ್ತು ಮಾಡಿ. ನಾನು ಹೇಳಿಯಾಗಿರುವವರೆಗೂ ಎಷ್ಟು ಜನರೂ ಬಂದರೂ ಬಿಡಬಾರದು ಹೊಡೆದು ಹಾಕಬೇಕು ಎಂದು ಹೇಳಿದ್ದರಿಂದ ಎಲ್ಲರೂ ಮೂಡಿ ಬಂದಿದ್ದರು ಹೊಡೆಯಬೇಕು ಎಂದು ಹೇಳಿದ್ದರಿಂದ ಎಲ್ಲರೂ ಹೊಡೆಯಲು ಬಂದರು ಕೈಗೆ ಸಿಕ್ಕಿದ್ದನ್ನು ಹಿಡಿದುಕೊಂಡು ಬಂದರು ಹೊಡೆಯಲು ಬಂದವರು ಹೊಡೆಯದೆ ಬಿಟ್ಟರೆ ಅವನ್ನು ಕೊಂಡು ಹೋಗಿ. ನನಗೆ ಬರಬೇಕಾದ ಹಣ ಕೊಡಬೇಕು ಎಂದು ಹೇಳಿದ್ದರಿಂದ ಎಲ್ಲರೂ ಬಂದಿದ್ದರು ಹೊಡೆಯಲಿಲ್ಲ ಕೊಂಡು ಹೋಗಲಿಲ್ಲ" After I booked the case I had been to border villages several times. I came to know most of the smugglers going to mr. channabasappa and taking his advice at every stage. He had friendship with all the people who are living on the banks of the Cavery River. All the smugglers have encouraged by the above gentleman. In the above encouragemo

the Smugglers were about to murder me. It was all due to the influence of Mr. Channabasappa.

Further I beg to report, I siezed one Cart load of horse gram (392 Sers. when measured) at Chikkamaravallikadu. The owner of the Cart is the chairman of Doddamaravalli. As soon as I siezed the horse gram at the above Kadu, the owner said the following rude answere" ಸಾಹಿ ಬಿಡಿ ಹೋಗಿ. ನಮಗೆ ಶ್ರೀಮಂತನ್ನ ಬಿಟ್ಟು ಬಿಟ್ಟು ನಮಗೆ ಅನ್ಯಾಯವಾಗಿ ರುತ್ತಾರೆ. ಹೀಗೆ ರುತ್ತಿದ್ದರೆ ನಾವೆಲ್ಲರೂ ಸೇರಿ ಬಂದು ಅಂಗಡಿ ಮುಚ್ಚಿ ಹಾಕುತ್ತೇವೆ. ಬಂದು ಬಿಟ್ಟು ಕೆಲಸಕ್ಕೆ ಬರಲಾರೆವೆಂದು ಎಲ್ಲರು ಬಂದು ದೊಡ್ಡ ದರಿನನ್ನಲ್ಲಿ ಬಿಟ್ಟು, ನಾವು ಬಿಸಿದ್ದು ರವರೆಗೆ ಬೆಳಿಗ್ಗೆ ಬೂಂಡಿಯನ್ನು ರವರೆಗೂ ಹೋಗಲಿ ಬಿಡುವುದಿಲ್ಲ ಬಿಡಿಸಿ ಕೊಂಡು ಕೆಳಗೆ ಬಂದು ಹೋಗಿ ಬಿಡುತ್ತಾರೆ. ನಾನು ಈಗ ಹೋಗಲಿಲ್ಲವೆಂದು ಬಿಟ್ಟರೆ ಎಲ್ಲರೂ ಹೋಗಿ, ಹೋಗಲೇ ಇಲ್ಲವೆಂದು ಹೇಳಿದರೆ ಬಂದು ಹೋಗಿ ಹೋಗಿದ್ದರು." Anyhow I siezed the horse-gram and handed over to the police.

I beg to report that there is a rumour that all the important people have been instructed by Mr. Channabasappa not to give paddy and land revenue. I tried my level best to acquire paddy but in vain. It has already known to the Kind Self that there was a short land revenue collection. All over the month I am on tour. I came to this Hobli only two months back. I booked three Smuggling cases by watching in the night. There is no way to show the progress to my superiors As Mr. Channabasappa making a tremendus on the above facts. By the

encouragement of Mr. Channabasappa to the important Raiyats & may be get in to trouble. I solicit for favour of kind and immediate action may be kindly taken in the matter.

With reference to your D.O. memo no. C.S. 9-551/44-45 dated 11th May 1945, I beg to inform that so far 9200 pallas of Ragi and 212 pallas of Paddy have been acquired against a demand of 19840 pallas of Ragi and 1315 pallas of Paddy respectively. Requisition of food grains in this Taluk especially in Hanumadahalli is strongly disappointing due to the unnecessary interference of Mr. Chandrasekhara and his representatives who are telling the ryots that they need not obey the G.O. notices issued from this office. And in the border villages of Hanumadahalli they are instigating the ryots not to deliver surplus grains to the Govt depot situated at Bettadapura and to urge for opening purchase

Depots in their Villages alone. Any
amount of persuasion and
advices in this behalf by the
staff of this Court has become
fruitless. These facts have been
brought to your kind notice in my

personal representations. The executive
Revenue staff are Complaining their

difficulty they are facing in food
acquisition. The Special Revenue

Even the Village officials also are representing

it is not possible to move effectively—

-I enclose I beg to add that during last acquisition season by the end of the official year acquisition of Ragi had gone up to 18000 gallas. Dated 7th May 1915

Dear Sir,

Rec'd 9/5 I beg to bring to your notice once again the subversive activities of Sri H.M. Chamarasappa of Mandinamallapura Estate, which are going on unabated, the sequel being the thoroughly unsatisfactory acquisition of Sortgrains, fall in Collection of Land Revenue, impending danger to the life of Special Revenue Inspector, Hanumaiah Hobli. It can be seen from the reports made by the Special staff of Food Supplies of this Taluk that Sri H.M. Chamarasappa has become a domineering personality influencing and instigating people to resort to violence, smuggling and show utter disregard to Government officers in the discharge of their legitimate duties. The report of the Special Revenue Inspector, Hanumaiah, discloses that Sri H.M. Chamarasappa, himself has without a permit transported three palas of Ragi to Krishnapet to one Venkatarama Setty, merchant of Krishnapet, which require verification from the Register maintained by Venkataramaiah Setty through the instrumentality of some C.I.D. Officer. The report of the Special Shanbhogan of this Taluk

discloses that Mr H.M. Chennabasappa is abetting Smugglers by encouraging them that he will stand by them. I am given to understand that the recent organised Smuggling on a large scale on the night of 4th April '45 at Kanagal Kaval was also at the encouragement given to Smugglers by Mr H.M. Chennabasappa. If I had not gone with sufficient Police forces fully armed, there would have been many casualities on the night of 4th April '45 at Kanagal Kaval at his instigation to the Villagers of Hangargala, as is seen from the report of the Kavalu Shirastadar, Revenue Inspector, not to deliver paddy to the Govt depot is again an act calculated to bring disaffection from among the people towards the Govt officers. This wanton act on the part of this mischievously inclined individual should in my opinion be put down with a firm hand. The smooth working of Taluk administration will be jeopardised if my subordinates are not given protection from the type of the miscreant of the one we have got in our Taluk. I am afraid that what is considered by us intrinsically wrong is allowed to be perpetrated, the consequence would be disastrous. The entire file of reports from various officers accompanies.

Re Unnecessary interference of Mr. H.R. Channabasappa in this Taluk.

Sir,

In Continuation of my several reports in the above matter, I beg to enclose herewith the reports of the Special Revenue Inspectors of Kasaba and Nanahally ~~&~~ Circles for favour of kind perusal and necessary action.

As already submitted in my previous reports, Mr. H.R. Channabasappa of Nandinalagam, is learnt to be unnecessarily interfering in Civil supplies matters and instigating the poor and innocent rioters to work up against Government orders. It has definitely come to my notice that he is telling to the leading people of some villages to issue Telegrams to the Director of Civil supplies and the minister stating that the Food Situation in Periyapatn

and is accused so that the Buildings and the Civil supply staff may get a bad name and transferred Early. It seems he is also telling that he has interviewed with the minister and has arranged for the transfer of the Buildings.

As disclosed by the report of the Special Revenue Inspector, Kasaba Koray, resp of Kandagaca Village who were formerly willing to surrender the surplus quantity of paddy to Govt and who had already taken empty gunny bags for bringing paddy were suddenly turned by P.S. Thammakasappa when these reports had been to Kumasawadi Bank for Survey. This is a Complete Case in which he is blindly leading the Villagers to act. Sorts of Crooked ways.

Even in Connection with the Recent smuggling Case at Kanagaca it seems the accused are being guided by this gentleman also [illegible]

ಕೆಲಸದಿಂದ ತೆಗೆದು ಹಾಕಿದ್ದು ಮತ್ತು ಕೆಲಸ ಕೊಡಿಸುವುದಾಗಿ ಹೇಳಿ ಹಣ ಪಡೆದಿರುವುದಾಗಿ" And also (57) giving free access to the smugglers to do any thing they wish to the S/Sri R.S. of Kanakahally whenever he is found either on the river side or in the forest area.

Mr. Channabasappa has got friend ship with the important Raiyats who are living on the banks of the Cavery River. He encouraged the people and said" ಯಾರು ಸಹ ಹೆದರಿ ನಾನು ಇರುವಾಗ ಯಾ ರು ಏನು ಮಾಡಕ್ಕಾಗು ವು, ಎನು ಆಂದು ಯಾರು ನಾ ನ್ನು ಕೇಳಿ ಕೊಂಡ್ಲಿಕ್ಕೆ ನೆ ". The Smugglers started their business again. somehow this conspiracy leaked and I got the information. About three bags of Ragi belongs to Venkata Ramana Basappa had been sent to Frazerpet via Doddaballapur on 23.4 Frazerpet. I beg to report certainly that my life is in danger. I do not know how long my will proceed in that Hobli. The people are openly speaking that the smugglers are making a conspiracy to make me cripple. This is all arranging by the encouragement of Hr. Channabasappa the above people are not really bad. only on the influence of the above gentlemain all these people are encouraging. As my life is in danger I may kindly be got transfered from that Hobli Solicited for favour of kind and early orders.

Submitted :- on 11-4-45 I went to Kandegala for foot grain collection work. As soon as I went there I sent for the patel, Shanbogh and the chairman of the village as well as the villagers, who approached me with great likings. After due advice I requested them to deliver the paddy that is shown as surplus or as much as they can could, having kept for their use and for seeds if necessary. After convincing with great task, the people agreed to deliver 20 pallas of paddy for the whole village, took empty gunny bags from me and promissed to deliver the paddy on 12-4-45 as most of the people were attending the person who was in his death bed. I gave them a chance and went back.

on 12-4-45 I went again. ~~As the people were~~ The patel, the chairman and most of the people were not found till 1 P.M. as they had gone to burial ground to bury that man who was dead during the night of 11-4-45. I demanded them for paddy. The people requested me much to excuse for that day & for 12-4-45 as they were showing much interest and enthusiasm to attend for fishing at Hundwadi Tank, promissing me that they will surely bring the paddy nearly 20 pallas from the village to-morrow & on 13-4-45. As fishing in the villages, is one of the most interesting and important hunting game I gave margin and went other villages on taking assurance of the patel and the chairman.

on 13-4-45 I waited in the head quarters till 10-30 A.M. no paddy cart was found from Kandegal side I started immediately to the spot. I found no male persons at all. I struck wonder to find mere females moving hither and thither with children for a longer period. My peons also rounded the whole village thrice more but the ~~aged~~ oldest people and the females old were not (P.T

I was simply astounded and determined to fight till the end. I was told that patel would have gone to Hillanebbapalu in other cases indifferent answers such as "ಇಲ್ಲಿಂದ ಹೊರಗೆ ಎಲ್ಲಿಗೆ, ಎಷ್ಟು ದೂರ ಹೋಗಬೇಕು ಇತ್ಯಾದಿ ಹೇಳಿದರು" so on.

At about 6-30 P.M. the chairman of the village was just coming from Tank side. I asked him about the promise that he had made on the previous day. ನಾನು ಹೇಳಿದ್ದು, ಇಲ್ಲಿಂದಲೇ, ನಿನ್ನೆ ಹೇಳಿದ ತಪ್ಪಿಗೆ ಇವತ್ತು ನಿಮ್ಮ ಮೇಲೆ, ನಾವು ಹೇಳಿದ ಹಾಗೆ ಕೇಳಿದರೆ ಮಾತ್ರ ಭತ್ತ ಕೊಡುವುದಾಗಿ ಹೇಳಿದ್ದು. ನೀವು ಯಾರಿಗೂ ಹೆದರಬೇಕಾಗಿಲ್ಲ ಎಂದು ಹೇಳಿದ್ದು. ಆದರೆ ಅವರು ಹೆದರಿಕೊಂಡು ಬಂದಿದ್ದಾರೆ. ಅವರು ಹೆದರಿಕೊಂಡು ಬಂದಿದ್ದಾರೆ ಎಂದರೆ, ಅವರಿಗೆ ಹೆದರಿಕೆ ಇಲ್ಲ ಎಂದು ಅರ್ಥ. ಅವರು ಹೆದರಿಕೊಂಡು ಬಂದಿದ್ದಾರೆ ಎಂದರೆ, ಅವರಿಗೆ ಹೆದರಿಕೆ ಇಲ್ಲ ಎಂದರೆ,

Sir;

I beg to state that the Collection work has fallen in some of the Villages. Confidentially it is learnt from some of the Village officers that they could not show good progress on account of interferance of Mr. H. M. Channabasappa of Nandinath pura, who has told to some of the Villagers that their is time to pay up the assessment till the end of June 1945, and that he is telling to some of the innocent ryots that he himself has not paid the Land Revenue due towards his lands. In this Connection

D. I. R

I beg 151 to bring to your notice that he himself has not paid the Land Revenue so far on account of such scaldalisation in some Villages of this Holali, any amount of any and any amount of any and Village officials' efforts to Collect the L.R. satisfactorly is becoming fruitless. I am submitting this for your kind information and needful action.

small matters for his self sake; which is far greater helpful to those who are starving for a bowel of food in these hard days.

In view of all these facts I hope that our Government will not sit idle in taking vigorous action upon such people who guides the poor and innocent villagers and raiyats from whose blood the world is standing and who are in bewilderness in these days, on wrong direction for the sake of one's own self. Could it be found Dharma from the point of Sankara?

I hope that our government will take immediate action in detecting such lipped people for suitable punishment and encourages and facilitates the obedient and honest public servants to pull on with their co-operative and helpful duties calmly, without troubling the raiyats and poor in any way.

Sir,

With reference to your D.O.letter No.D-7.E.R.69/44-45 dated 17th May 1945 forwarding for enquiry and report, a copy of letter dated 14th April 1945 from Mr.H.M.Chennabasappa, Nandinathapur Estate, Periyapatna Taluk regarding the non-payment of a bill to one Mr.Javare Gowda contractor of a well work at Gangadharahosahalli, I have the honour to enclose herewith in original the report No.V.P.106/44-45 dated 31-5-45 received from the Amildar, Periyapatna Taluk in the above connection for kind perusal.

It is seen from the report that no reference is forthcoming in the Taluk Office to show as to when the work was entrusted to the contractor and by whom etc., that the village itself was built about two years back and it was only at the last dittam jamabandi, the Amildar directed the preparation of the house list and other accounts for this new village, that the statemant of Mr.H.M.Chennabasappa that though the well was excavated more than a year back, the contractor has not so far been paid a pie, is false, that the contractor has already been paid a sum of Rs.153-0-0, that the work was only got sanctioned recently and that there is no delay in his taluk in paying bills to the contractors.

Further during my visit to Periyapatna I also made enquiries and learnt that it is Mr.K.S.Malle Gowda, the then Amildar that entrusted the contract for this well work to Mr.Javare Gowda without getting the estimate sanctioned, that Mr.Javare Gowda has already been paid a bill of Rs.153-0-0 and that there has been no delay in paying bills to the contractors. I also entirely agree with the views expressed by the Amildar, Periyapatna Taluk and particularly in periyapatna Taluk there has been a good progress in the execution of well works.

I have the honour to be,

Sir,

In obedience to your memo No. RS 298/44-45 Dated 24-5-45, I beg to state that it is not known who it is that entrusted the work of GangadharaBasavanahalli well work when the estimate itself was not sanctioned. No reference is forthcoming from this office as to who it is that was given the contract to one Javare Gowda and such, H.M. Channabasappa may be enquired into as regards the Amildar who entrusted this Gangadhara Basavanahalli well work to the Contractor Javare Gowda.

Gangadhara Basavanahalli is a village which has been newly built and it is just two years that the village has come up into existence. Javare Gowda had not applied to this office at any time for payments. It was only when the estimate came into this office duly sanctioned, the V.P.S.O. was sent to the concerned village to prepare a bill for the work that was so far been completed. It is rather falsehood to say that the well is completed. The V.P. Surveyor has prepared a bill for Rs. 153/- and the same is paid to the contractor Javare Gowda. There was no village panchayet and it was during Dillum Jamabandi orders were issued for the preparation of House list and the V.P. has not contributed anything towards the well work. This is so far as Gangadhara Basavanahalli is concerned.

As regards the progress of well works and the payments made to the Contractors in this Taluk, the outlay incurred every month and the total number of wells that are completed speak for themselves. There are a number of works which are completed and a number of them Submitted for final settlement of Contractors' dues. Subject :- Well-work of Naralapur village in Periyapatna taluk

Dear Sir,

I have the honour to submit that the well-works are not progressing in Periyapatna taluk owing to the utter indifference of the local officers. On the other hand some of the wells are about to collapse causing damage to the public life and property.

151

I have to most regretfully bring to your notice that another shower is likely to collapse the Naralapur well shaking the foundation of the adjoining to dwelling house. I am afraid that if immediate precautionary measures are not taken the neighbouring dwelling house will collapse into the well and is likely that the inmates may also collapse with the house. Officers come and go but no body consider the matter which is likely to cause damage to life and property seriously. may I req you kindly issue instructions to the Concerned officer to take immediate precautionary measures. thanking you,

Yours faithfully

Sir

I beg to Report that the well in question was entrusted to one Mr Narayana Nayar about two years back by the then Amildar in anticipation of the Sanctioned of the Estimate. The contractor has sunk the well to a depth of 51 ft and stopped the work at that stage as he did not get any payments. The Estimate was received duly sanctioned on 31st Jan 1945. As per Rules this work should not have been taken before Sanctioned of the Estimate. As it was taken up even befor the Sanction of the Estimate about 2 years back and with out information to the then Sub-overseer. The S.O has nothing to do with the delay in completion of the work & the Site also where the well has been sunk is not well situated and is quite nearer to the dwelling house. This has been selected by as per the choice of the villagers by the contractor. The Soil met with is black cotton soil and the same were left incomplete for about 1½ year. All the sides have collapsed due to the rains.

After the Sanction of the Estimate I inspected the well and prepared the bills. The deepening portion of the work is now in progress & the well has now gone to a depth of 65 ft. even at this depth water is not tapped & the well has to be sunk still deeper. Many work should not be done to the well until deepening is completed which is now going on with blasting materials. After water is tapped the steining work will be completed. If the steining work is taken up now along along with the deepening work with blasting materials there is every likelihood of the sides being collapsed & considerable loss will be incurred for which the contractor will not hold himself responsible. The work could not be completed early as the contractor is urging for the enhancement

In the circumstances I shall be glad hand
in completion of the work early

Sir,

With reference to your memo dated 5.6.45 communicating to me O.O. No. T.C. 360/44-45 dated May 26.1945 from the Deputy Commissioner, Mysore District regarding utter indifference of the local Agents in execution and maintenance of well works in Periyapatna Taluk, I beg to submit as follows:

All the wells of previous years which were not Completed and those taken up during the year 1944-45 with the exception of a couple of wells, are all under various stages of progress. Every month payments are being made to the Contractors for intermediate bills and final bills are also made after they are received duly sanctioned by the Deputy Commissioner. Nearly twenty wells have been Completed during 44-45. The progress of well works of selected Hobli and of other Hoblis was brought to your kind notice at the time of R.R. Meeting at Panchavalli on the 10th January '45 and the same is recorded in the Proceedings Book the same day.

As regard the progress of well works

at Navalapur village in Perambalur Taluk. I fully endorse the statement of village panchayat sub-overseer's report dated 2nd June '48, which is enclosed herewith. The selection of site for the well at Navalapur village is that of my predecessor in office two years back and the contractor has been entrusted with the well works of Navalapur before the sanction of the Estimate. After the Estimate is sanctioned, payments are also made to the contractor and the Contractor is served with a notice to complete the work very early. The village panchayat sub-overseer also is instructed to supervise the execution of the well at Navalapur now and then giving instructions to the Contractor to complete the excavation and revetment work very early.

I further beg to state that there has not been any indifference on the part of any body in the Taluk in the supervision of well works for the speedy completion. The entire file of records accompanying beg to remain,

Sir,

Your most obedient servant

Sir,

With reference to your D.O. letter No. T.C.360/44-45 dated 24-5-1945, forwarding the letter of Mr. H.M.Channabasappa of Nandinathapur dated 19-5-1945, regarding the well-work of Naralapura village in Periapatna Taluk and alleging indifference of the local officers in execution and maintenance of well-works in Periapatna Taluk, I have the honour to submit reports of the Amildar, Periapatna Taluk and the well-works Sub-Overseer, Periapatna, dated 11-6-1945 and 2-6-1945 respectively in the matter of the execution of well-works under reference.

It is reported by these officers that the execution of the well-works of Naralapura was entrusted by Mr. K.S. Mallegowda about two years ago without getting the estimate sanctioned and the site for sinking the well was selected by Mr. Mallegowda in consultation with the villagers. The well was sunk to a depth of 51 feet by the time the estimate was sanctioned viz. 31-1-1945. The Amildar and the Sub-Overseer report that the sides of the well collapsed during the last rainy season and that the interim Payments have been made for the works done. It is further reported that the deepening portion of this well is now in progress and the well has now gone to a depth of 65 feet. Even at this depth water has not been tapped and it is further reported by the Well-works Sub-Overseer and that it has to be sunk still deeper. The well work is stated to be in progress. It is also stated that there is no danger either to the well or to the neighbouring houses. After further deepening is over and the water is tapped the steining work will be taken up and the bills paid after observing all the necessary formalities.

It is also seen from the report of the Amildar that about 20 well-works in the Taluk are under various stages of progress and interim payments are being made as and when it is found necessary after verification.

In the circumstances, I am of opinion that there is no indifference on the part of the local officers in the execution of Well-works in this Taluk as stated by Mr. H.M. Channabasappa in his letter under reference.

The letter of Mr. H.M.Channabasappa together with the reports of the Amildar and the Well-works Sub-Overseer are herewith submitted for favour of kind perusal.

Dear Sir,

I have the honour to submit that numerous complaints are being received that the toll-gate people of Anechowkur and other gates at the Boundary have been preventing carriers from taking the Bengal gram necessary for the bullocks during their journey to the Mandies. It is further learnt that those who dip them will be allowed. It is highly regrettable that such kind of minor ways of teasing the people are growing by leaps and bounds. At this rate life of business people and ryots in the

moffussil becomes miserable. Will you kindly see that proper instructions are sent to the local officers to exercise proper control and see that no room is given for such kinds of minor ways of teasing the public.

further request that strict instructions may kindly be sent to allow atleast 6 seers of Bengal gram for a pair of bullock I trust you will treat this as very urgent.

Thanking you.

Office of the Sub-Division Officer,
Mysore Sub-Division,
Mysore, dated the, 12th June 1945.

To

The Deputy Commissioner,
Mysore District,
Mysore.

Sir,

With reference to your D.O. letter No. C.S.5-558/44, dated 18-5-1945, forwarding the letter of Mr. H.M.Channabasappa, dated 17-5-1945, for enquiry into the allegations of bribery against the Toll-gate staff of Anechowkur and report, I have the honour to submit that I have held a detailed enquiry into the details noted in the letter of Mr. H.M.Channabasappa. I have examined the Toll-gate staff and the police officers as well as Mr. Muddiahna Shivalingappa referred to by Mr. H.M. Channabasappa in his reply to my memo of even No. dated 5-6-45.

Mr. Muddiana Sivalingappa examined states, that the allegations noted in the letter of Mr. Channabasappa are baseless and that he never complained to Channabasappa in the matter. He further states that he often takes his carts and bullocks to Gonikoppal Shandy and that the Toll-gate staff never demanded any bribe from him or others going to the shandy, nor has he paid any such bribes to them. Further, that he never feeds his bullicks with Boggal-gram as stated in the letter of Mr. H.M.Channabasappa and that the Toll-staff are allowing 3-4 seers of Horsegram for use of the bullocks which go to Gonikoppa Shandy. He further states that no other merchants or ryots of Periapatna Taluk or of Ravandoor Village who go to Gonikoppal Shandy have ever complained to him in the matter. Mr. H.M.Channabasappa was absent at the time of enquiry (vide his reply to my Memo No. R6-176/44 dated 5-6-1945.

The restrictions on the export of Bengal-gram from Mysore State have been removed in G.O.Nos. SD-4151-C.170-44-9 dated 16-1-1945 and SD-4112-C.170-44-10 dated 17-1-1945 and from my enquiry of the Toll-staff, I find that they have not been demanding any permits for the export of Bengalgram from the date of the G.O.referred to above.

The Toll-gate staff also deny the allegations noted in the letter of Mr. H.M.Channabasappa.

I find from my enquiry that the allegations made by Mr. H.M.Channabasappa are baseless and false.

The enquiry records together with the letter of Mr. H.M. Channabasappa are herewith submitted for favour of perusal.

Sir,

With reference to Memo of orders received from the Director of Food Supplies asking me to make confidential enquiries regarding the petition sent to Government by Mrs. Green Price, I have the honour to submit that I made a detailed enquiry at Periyapatna and ascertained the following particulars.

From enquiries, it is found that repeated complaints are being made by Mrs. Green Price and other villagers of Periyapatna regarding the distribution of foodgrains from the Government Depots Particularly the complaints were very heavy during the months of March, April and the beginning of May.

On a perusal of the registers maintained at the Depot, it is seen that on several days one of the Town Depots was closed for want of a clerk in the Depot. It seems to be usual that whenever the clerk was granted leave, no substitute was posted and as a consequence the depot would be closed. Evidently, this has led to innumerable petitions being sent to Government and to the Deputy Commissioner. Added to this, Clerk Mahadevan who is the son of a doctor at Periyapatna was employed as a Clerk in the Depot from the month of December 1944. He appears to have been very indifferent towards his work and was never opening the depot according to the times prescribed by the Amildar and later on in the month of April, he misappropriated a sum of Rs.700/- and absconded. He did not even maintain the accounts properly and his issue of rations to the town people appears to be very irregular. In the interest of recovering the Government money, the fact of this misappropiration of Rs.700/- was brought to the notice of his father and the amount was recovered from him and the boy was dismissed from service.

It is learnt that the whereabouts of the boy is still not known. Subsequent to this boy's absconding, another clerk by name Mr.R.V.Narayana Rao was appointed and he became sickly and was going on leave frequently. On the 4th of May he was said to

P.T.O.

said to have been on leave and the depot was closed and from 9th to 15th of May again he was on leave and the depot was continuously closed for that week and when telegrams were sent from Periyapatna, the Sub Division Officer rushed to the spot and instructed the Sheristedar who was in charge then to send a substitute and see that the depot was kept open and rations were issued properly. Subsequently to this instance, things have been shaping well and the sales in the depot have been regular.

I questioned Mrs. Green Price regarding her complaint and she gave a statemant to the effect that the things in the Taluk have very much improved and there is absolutely nothing to compain now. I perused the Stock registers maintained in the Taluk Office and I found that enough stocks were always available at the Taluk Ration Depot Office Stores. It was only the indifferent manner in which the clerks were doing their work in the depots that was mainly responsible for these troubles. Mostly such irregularities in the depots have occurred when the Amildar was not in headquarters and when the Amildar was on leave. The Sheristedar who was incharge and who would be at head-quarters should have looked into these things and whenever a depot clerk absented himself or went on leave, the Sheristedar or the Special Food Sheristedar should have immediately made some arrangements to see that the depot was kept running and rations were issued regularly. Even according to the statement of Mrs. Green Price, the things have been very much improved. The statement given by Mrs. Green Price is also enclosed for kind perusal. It is only these irregularities that were prevailing in the depot that made the public as well as Mrs. Green Price to send telegrams and petitions to the higher authorities.

I have enclosed a list showing the stock position in the Taluk Reserve for information.

Apart from the above irregularities which are responsible for these telegrams and petitions, the present Amildar has introduced regular Ration Cards to systematise the issue of rations to the people of Periyapatna. His predecessor Mr.Mallegowda appears to have gone in a very unconstitutional manner regarding the system of rations and issue of permits for exporting

176

exporting controlled commodities from outside his Taluk and in some instances even to outside the State. Probably he was doing this in order to become more popular in his Taluk. By this, he gained the confidence of the public. When the present Amildar took charge and introduced the Ration System and refused to issue permits for the export of controlled commodities, the public misconstrued his bona fides and attempted to bring him into troubles. One Mr. Channabasappa, who is a member of the Legislative Council is said to be the leader of this Taluk. He appears to have attempted to win over the Amildar to his side but unfortunately he failed in his attempts. The Amildar did not play into his hands, but on the other hand all the illegal activities of Mr.Malle gowdaare being exposed. The present Amildar has brought some of the lands of Mr. Channabasappa for sale for arrears of land revenue He has taken up cases against Mr. Channabasappa for unauthorised encroachment of Government lands under Takrar Takthe. Mr.Channabasappa applied for a loan and his application was rejected. All these things have enraged the feelings of Mr. Channabasappa and he has now determined to see that the Amildar is transferred and he is openly telling everybody at Periyapatna that he has spoken to the higher authorities of Government for the transfer of the present Amildar. Having all these in view, Mr. Channabasappa is taking every opportunity to see that the public send repeated complaints against the local officers at Periyapatna even in insignificant instances in order to bring the present Amildar, Mr.Krishu to disrepute. Unless the misdeeds and the mischievous propagand that are being done by Mr. Channabasappa are checked immediately, there is no safety for any of the Government officers who are working in that Taluk. He is instigating the people to work against the Government officers and is encouraging the public t obstruct the Government officers in their legitimate work both regarding the procuration and even distribution of food grains an in other ~~kkkkkk~~ allied revenue matters. Unless his mischievou activities are checked early the Government work cannot be carri on smoothly.

Dear Sir,

I wish to state that although rice etc., were not being properly distributed to the public in April and the first few days in May, for the last month, we have had no trouble. The trouble in those months were caused by the slackness of the Depot Clerks, which I found out when I came from Bangalore, as when I reported them to the Amildar and the Special Sheristedar they took steps against the Clerks and things are going on alright at present.

2. I also wish to state that what I have said about any of the Taluk Officers in my letter is nothing to do with a personal grudge as I have never had to complain of their treatment of myself personally, in fact they have always been very good to me. I write and speak purely from the public point of view.

I remain,

Yours obediently,

Sd. Green - Price.

Sir,

With reference to your Memo No. Bi.C.5431/44-45 dated 3rd June 1945 forwarding a letter from Mrs. L. Green Price, I have the honour to state that an enquiry was held by the Sub-Division Officer, in the matter. This is not the first petition that has been sent by her against the local Amildar, under the instigation of Mr. H.M. Channabasappa, Member of the Legislative Council, Nandinathpur Estate, Periyapatna Taluk. A detailed enquiry has already been held by Mr. M.V.V. Naik, Superintendent of Police, in the matter and he has submitted his report to you. When Mrs. Green Price was enquired into the matter, she has stated, that there ~~is~~ was no trouble or inconvenience caused to the people by the present Amildar, who has rectified the irregularities committed by his predecessor, Mr. K.S. Mallegowda.

Mrs. Green Price is dissatisfied with the present Amildar, because the work of the distribution of the Kerosene oil was taken away from her, as on an enquiry held by me it was found out that she was in the habit of beating the villag women-folk with her whip. She had also sent several petitions under the instigation of Mr. H.M. Channabasappa and the idea seems to be to get the Amildar transferred from the plac so that the incoming Amildar might get into their clutches. As the allegations contained in the petition are all false, the petition may be filed. The petitions of Mr. Channabasappa

Mr. Channabasappa and Mrs. Green Price are always inspired with evil motive and after enquiry found to be totally false. Their idea is to bring the local authorities into contempt and to carry on a parallel administration by keeping the local authorities always engaged in enquiries on their petitions. Under the circumstances, their petitions may be treated with contempt which they deserve, and no further enquiries instituted.

I have the honour to be,
Sir,
Your most obedient servant,

Deputy Commissioner,

Sir,

With reference to your Memo No. C1-5116/44-45 dated 3rd May 1945 forwarding the petition of Mr. H.M. Channabasappa for enquiry and report, I have the honour to state that a detailed enquiry was held by the Sub-Division Officer, Mysore, and his report is enclosed herein for favour of perusal. It is seen therefrom that the Amildar has not refused the supply of kerosene oil to the applicant; but on oral representation made by him for the issue of rice, he called for a report from the Revenue Inspector, with an extract of H.S1 Register of the village. Mr. H.M. Channabasappa seems to have intercepted the application and wrote this petition making allegations against the Amildar. The petitioner, Thammegowda of Kandagal, has refused to appear before the Sub-Division Officer, in spite of a notice served on him. The petitioner appears to have stated that he should consult Mr. Channabasappa, before taking the service of notice. There is no foundation to the allegations made in his petition. I have personally looked into the matter of distribution of foodgrains in this Taluk, and found it to be quite satisfactory. On the representation of the people a fresh depot was opened at Kanagal to facilitate the villagers of these interior parts.

Interference of Mr. H.M. Channabasappa in all these matters has made it very ~~difficult~~ hard for the local Amildar to go on with the administration of the Taluk smoothly. Under

Under the circumstances, as the allegations are all false, the petition may be filed.

I have already made a reference to you in this connection, proposing the action to be taken against Mr. H.M. Channabasappa, who has been effectively preventing the acquisition of food-grains and encouraging the smuggling of ragi beyond our frontiers into Coorg.

The records received from the Sub-Division Officer, with his report No. R6-25/45 dated 23rd August 1945 and the petition of Mr. H.M. Channabasappa are herein enclosed.

Sir,

With reference to your letter No. C2-559/45-46 dated 14th August 1945 enclosing a letter from Mr. H.M. Channabasappa making certain allegations against the Amildar of Periyapatna Taluk, I have the honour to state as follows:

A detailed enquiry was held by the Sub-Division Officer, Mysore, on a petition presented by one Yakub Sab, owner of S.No. 12 of Basalapura village, complaining about the obstruction of water-supply from the Hikkal channel, the Amildar registered a case as Mis. Case No. 1/44-45 dated 20th December 1944 on the file of his Court under the Irrigation Act and after due enquiry and inspection of spot in dispute, passed orders on 11th August 1945 directing both the parties - Setti Gowda and Yakub Sab - to remove the 'Uddige' put up unauthorisedly. It is clear from the order of the Amildar that he has tried to favour no party, but has passed a correct and disinterested order in the case.

In this connection, I have again to urge the fact, that Mr. H.M. Channnabasappa, has all along been interfering with the administration of this Taluk and Hunsur Taluk, and he has been encouraging the villagers to give petitions to him rather than to the local authorities. His 'modus operandi' is to receive these petitions, and without caring to verify the facts to send them to the higher officers making serious allegations

allegations against the officers. I enclose herein a letter from Mr. H.M. Channabasappa, written to Yakub Sab, wherein he has offered to interfere in the above mentioned case and settle the matter amicably. He has become a regular 'Phut Layer' deciding disputes and making money thereby. At the same time, he keeps the local officers always in fear of reprisals, in case they interfere with his nefarious activities. This he does by writing petitions recklessly and making allegations in an irresponsible manner. During my tours in these Taluks, I am given to understand, that he has been actually running a parallel Government, and instigating the parties not to approach the local authorities, but to come up to him with their complaints for redress. He has, in fact, become a veritable 'Pallegar' wielding his influence over the local people, who are gullible.

Under the above circumstances, I request you kindly to treat his petitions with the contempt they deserve, as from a number of enquiries that have been made, it has been revealed, that they are all false, malicious and vindictive.

The entire records ending with Mysore Sub-Division Officer's Report No. R6-24/45-46 dated 23rd August 1945 and the letter in original dated 3rd August 1945 written by Mr. H.M. Channabasappa to Mr. Yakub Sab are herein enclosed for favour of perusal and return.

Sir,

Subject:- Allegations of corruption, etc., against the Amildar and the Revenue Inspector - Hunsur Taluk.

With reference to your letter No. A1-525/45-46 dated 10th August 1945 forwarding a letter from Mr. H.M. Channabasappa, making allegations of corruption against the Amildar of Hunsur Taluk and the Revenue Inspector of Ravandoor Hobli, I have the honour to report as follows:

The Sub-Division Officer, Mysore, made a detailed enquiry at the spot and has submitted his report. This refers to a darkhast for a site by one Patriah of Honnenahalli. As a mistake had been committed in the disposal of this site to Patriah, the Amildar personally inspected the land and as there was a temple, a school and a pond in a Thope, he ordered the withdrawal of the 'Saguvali Chit' and the applicant was also given an endorsement on 2nd June 1945. Patriah who was not satisfied with this order, gave petitions to the Deputy Commissioner and the Sub-Division Officer, and at the same time sent a petition to Mr. H.M. Channabasappa. As usual, Mr. Channabasappa, without any verification, took up his case, and forwarded the letter under reference making reckless allegations against the Amildar and the Revenue Inspector. The Sub-Divi-

Sub-Division Officer has inspected the land, and satisfied himself that once it had been sold to Patriah as a vacant site was not regular, as it formed a part of a Survey Number.

The Sub-Division Officer has examined Patriah on 16th August 1945 regarding his application, and he has ~~stated denying~~ denied the fact of having paid any money or "bengalgram" either to the Amildar or ~~to~~ the Revenue Inspector and ~~that~~ stated that he made an oral representation to Mr. H.M. Channabasappa out of spite and disappointment. This fact was, however, verified by a reference to the Pahani, from where it is clearly seen that Patriah had not grown any "bengal-gram" at all.

Patel Gendegowda of Honnenahalli was also examined in this respect, and it is interesting to note that Mr. Channabasappa sent for him and took his signature on a blank paper. Thus, it is seen, that the withdrawal of the 'Saguvali Chit' was the main cause for Patriah approaching Mr. Channabasappa in the matter.

This is another instance, where Mr. Channabasappa has assumed the roll of a higher officer sitting in judgment over the actions of the local officers. If he is encouraged to continue in this manner, I am afraid, that the administration in both these Taluks may end in confusion leading to unpleasant consequences. In this connection, I invite your kind reference to my letter No. T.C. 115/45-46 dated 7th August 1945. The petition under reference deserves no consideration and I propose that no further action need be taken on the petitions sent by Mr.

(98)

by Mr. Channabasappa against the local officers, as it is a sheer waste of time to myself and the Sub-Division Officer to constantly make enquiries on false allegations, which have an indirect effect of undermining the influence and the prestige of the local Amildar. The entire records received from the Sub-Division Officer, Mysore, with his Report No. R2-C. 80/45-46 dated 23rd August 1945 are herein enclosed for favour of perusal and return.

Dear Sir,

I enclose herein a letter received from the Dist. Superintendent of Police, Mysore, for your kind information. It is seen from the letter that Mr. T.M. Channabasappa of Periyapatna, has in his usual manner, gone to the house of the Dist. Superintendent of Police and tried to intimidate him. This is another instance of his uncalled for interference in the investigation of crime. If he had any complaint to make, he could have presented a petition to the Dist. Superintendent of Police in his office, in a straightforward manner. This is his usual 'modus operandi' to influence the local officers by keeping them always in fear of dire consequences, as a result of his complaint to higher officers.

Copy of letter No. DC.16/45-46 dated 15th Nov.1945 from the District Superintendent of Police, Mysore, to the Deputy Commissioner, Mysore.

I write to bring to your kind notice that Mr.Chenna Basappa of Nanjunath estate, Periyapatna Taluk and member of the Legislative council from the Mysore District Constituency called on me at my residence on the early morning of the 11th instant and began an incoherent tirade against the Sub Inspector of Police of Periyapatna, Mr. Narasimhamuthi. He alleged that the Sub Inspector made a wrong counting of the cash found in a theft case and has appropriated for himself some monies. The parties in the case are two brothers in whom Mr. Chennabasappa has interested himself. As Mr. Chennabasappa's story was highly coloured by the very nature of his representation, I asked Mr. Chennabasappa to make a record of his complaint so that it could be properly investigated. After some time he again came to me and asked me to accept what he says as the complaint and book the Sub-Inspector, immediately. As his tone and demeanour were inclined to be needlessly magnifying things. I observed that it would be conducive if the aggrieved parties come and make a proper representation instead of a third person championing their cause. At this, he left my presence insolently muttering that he would approach the Ministers.

This is not the first time Mr. Chennabasappa is interfering in the local affairs causing great nuisance and obstruction to public servants in the discharge of their duties. Last year he brought allegations of corruption against Daffedar, Rame Gowda and other constables of Periyapatna and after a protected trial, they were acquitted as his charges could not be substantiated. In the name of public service, he takes upon himself the responsibility of meddling in every affair in the Taluk, championing and setting up parties and causing endless litigation and trouble to innocent people.

I have brought this to your kind notice just to keep you informed that it is not unlikely that Mr. Chenna Basappa may embark on a campaign of vilification against me on account of this incident. He has the Press at his disposal which he uses to disparage public servants. His political activities have all along been very undesirable.

The Police have been instructed to always maintain a close and an ubtrusive surveillance on his activities and movements.
